affected are covered in this manual. The descriptions and specifications contained in this manual were in effect at the time this manual was approved for printing.

This synthesis will be of interest to transit agency staff responsible for vehicle maintenance and planning at their agencies. Staff can use this report to learn from the experiences of other agencies, as well as to compare their experiences with those of other agencies. It documents and summarizes transit agency experiences, using various maintenance productivity improvements and programming. The report summarizes the experiences of agencies that vary in size, union affiliation, and operating conditions. It provides descriptions of successful programs and creative modifications to existing programs.
