this book particularly helpful in extending their ideation skills, maximizing their creative potential, and reducing their time per assignment. This technique has been tested, both in the classroom and the boardroom. Using this, American and Indian students have received more than 200 local, regional, national, and international awards for their creativity from prestigious competitions such as the AAF ADDY and the International Summit Awards. Advertising professionals, from copywriters to creative directors, have collected several awards such as the Cannes Lions, Clio, Ad Asia Pacific Awards, Media Spikes, One Show, and D&AD Pencils for the memorable and effective campaigns they have created for their agencies using this thought process. Thinking And Reading With
Ted Talks

Is for anyone who wants to enhance their creativity! There is no aspect of life where this crucial skill is not utilized.... Get the book and get cracking!

I, Geronimo Stilton, was amazed to find myself called back to the Kingdom of Fantasy for another adventure. Blossom, Queen of the Fairies, needed my help -- time itself was under threat! Something evil was making the hands of the magical Tick Tock Timepiece spin faster and faster. It was causing Blossom to age at an alarming rate . . . and if she perished, so would the entire Kingdom of Fantasy! Holey cheese! It was up to me to restore time and harmony to the land. Could I do it before the clock reached its final hour?
