You'll find in short order that this book isn't a how-to book. It's a guide, a reference, a companion piece to your project management. Some of it applies to whatever project approach you're using. Some of it is Agile-specific. As you go through the book, you will take the pieces that work for you and your project and make them your own. On Time. In Budget. What They Need (even if that changes!). That's what you can expect as you implement LLAMA or any of the Agile project management approaches.

You'll find in short order that this book isn't a how-to book. It's a guide, a reference, a companion piece to your project management. Some of it applies to whatever project approach you're using. That's what you can expect as you implement LLAMA or any of the Agile project management approaches.

When applied to instructional design, Agile project management provides a framework for adapting to change as it happens and delivering the content most needed by learners. Author Megan Torrance introduces the LLAMA(TM) methodology to illustrate how Agile applies to learning and development projects. This book includes templates for goal alignment, scope definition, estimating, planning, and iterative development.

Topics include buying a llama, building a herd, breeding, feeding, health care, llama behavior, and using llamas as guardian and expedition animals

Everything readers need to know about behavior, facilities, first aid, breeding, birthing, fleece harvesting, and marketing.

A step by step guide on raising llamas with detailed sections covering selecting a healthy llama, associated costs, housing, husbandry, health and breeding, plus useful frequently asked questions.

A young llama asks his friends if their mamas are llamas and finds out, in rhyme, that their mothers are other types of animals.

Designed for the mixed practice large animal veterinarian, veterinary students, and camelid caretakers alike, Llama and Alpaca Care covers all major body systems, herd health, physical examination, nutrition, reproduction, surgery, anesthesia, and multisystem diseases of llamas and alpacas. Written by world-renowned camelid specialists and experts in the field, this comprehensive and uniquely global text offers quick access to the most current knowledge in this area. With coverage ranging from

basic maintenance such as restraint and handling to more complex topics including anesthesia and surgery, this text provides the full range of knowledge required for the management of llamas and alpacas. "...an essential text for anyone working with South American camelids." Reviewed by Claire E. Whitehead on behalf of Veterinary Record, July 2015 Over 500 full-color images provide detailed, highly illustrated coverage of all major body systems, physical examination, nutrition, anesthesia, fluid therapy, multisystem diseases, and surgical disorders. World-renowned camelid experts and specialists in the field each bring a specific area of expertise for a uniquely global text. Comprehensive herd health content includes handling techniques, vaccinations, biosecurity, and protecting the herd from predators. Coverage of anesthesia and analgesia includes the latest information on pharmacokinetics of anesthetic drugs, chemical restraint, injectable and inhalation anesthesia, neuroanesthesia, and pain management. Reproduction section contains information on breeding management, lactation, infertility, and embryo transfer. Nutrition information offers detailed nutritional requirements and discusses feeding management systems and feeding behavior.

Channel the ways of the no drama llama, the ultimate guru when it comes to leading a simplified lifestyle. Tense? Worried? Overwhelmed by the modern world? You need to meet Leroy the llama, a beast who knows a thing or two about burden. Leroy leads the alPAC(k)a when it comes to helping people quit the am-dram in favor of living a hassle-free lifestyle. Having been reared on the challenging Argentinian landscape, Leroy is as tough as anything. He can tolerate a harsh environment, but when it comes to the petty troubles of modern living, his patience wears thin. Let Leroy share his sage wisdom and special brand of blunt advice with you, and you'll soon learn how to cut the crap and live a drama-free
