This book on Financial Accounting is specifically designed to cater to the needs of B.COM Semester-I students of Bangalore University. It extensively covers the core concepts of the subject in a student-friendly and meticulous manner. The book attempts to lay a solid foundation for the advanced accounting aspects not only for classroom study, but also their respective application in real-world accounting practices.

The books are prepared in accordance with the syllabus developed by the NCERT and adopted by the CBSE. Text is supported by suitable illustrations, Solved Problems, Theoretical Questions and Practical Exercises. There are over 40 exhibits to acquaint students with the various accounting treatments and formats. Revision One Day Before Examination, Important Theoretical Question Bank, Provisional Test Papers, Model Test Papers and Pre-Board Test Papers are given for revision.

The text and images in this book are in grayscale. A hardback color version is available. Search for ISBN 9781680922929. Principles of Accounting is designed to meet the scope and sequence requirements of a two-semester accounting course that covers the fundamentals of financial and managerial accounting. This book is specifically designed to appeal to both accounting and non-accounting majors, exposing students to the core concepts of accounting in familiar ways to build a strong foundation that can be applied across business fields. Each chapter opens with a relatable real-life scenario for today's college student. Thoughtfully designed examples are presented throughout each chapter, allowing students to build on emerging accounting knowledge. Concepts are further reinforced through applicable connections to more detailed business processes. Students are immersed in the "why" as well as the "how" aspects of accounting in order to reinforce concepts and promote comprehension over rote memorization.
