Addictions Counseling: A Practical and Comprehensive Guide---

The counseling approach of choice in addictions or recovery counseling would include both components as necessary and sufficient conditions. Recovery from addiction requires counselor qualities and the establishment of a therapeutic relationship as well as clear education, instruction, and a plan of action.

Addictions Counseling: A Practical and Comprehensive Guide---

Theory-based approaches to substance abuse counseling. Substance Abuse and Addiction Treatment shows how to help clients struggling with addiction by looking through the lens of counseling theory. After tackling basic concepts of substance abuse and addiction counseling, it looks at different counseling theories and how each supports the client with substance abuse issues.

A wholly revised and updated edition of the book widely read by professional counselors as well as those who do the work of counselors, such as ministers, teachers, and nurses.

For students taking courses in substance abuse and addictions counseling. A practical collection of tools and strategies for prospective addictions counselors that includes a solid foundation of research, theory, and history. Practical and comprehensive, Foundations of Addiction Counseling explores an array of techniques and skills that a new practitioner will need in the real world while providing a thorough review of the research, theory, and history of addiction counseling. With chapters written by expert scholars, this text covers many topics in-depth often ignored by other comparable books, such as professional issues in addictions counseling, the assessment of client strengths, gender issues in substance abuse, working in rehabilitation centers, and working with clients with disabilities. The second edition of this unique text offers prospective counselors the tools and strategies they will need for working with general and special populations, including assessment tools, strategies for outpatient and inpatient treatment, information about maintenance and relapse prevention, and counseling strategies for couples, families, children, adolescents, college students, and recovering addicts. The revised edition includes expanded discussions on a number of topics, new case studies, and completely updated resources and web references.

Winner of the 2020 Canadian Counselling and Psychotherapy Association (CCPA) Counselling Book Award Enlightening and practical. Addictions Counseling Today invites students into the heart of addictive thinking, offering first-person accounts of what it is like to experience different addictions. The text covers the range of addictions from alcohol, drug abuse, and nicotine to various process addictions, including sex, internet, gaming, social media, and gambling. Also included are the various theories and models of addiction, with a unique chapter on the neuroscience of addiction. Focusing on the new DSM-V classifications for addiction with an emphasis on CACREP and treatment, this provocative, contemporary text is an essential reference for both students and practitioners wanting to gain a deeper understanding of those with addiction. Learn why teaching addictions is changing and how to adapt your course by watching Kevin G. Alderson's Ph.D. webinar entitled The Pandemic Addiction Volcano here. Online Resources Free PowerPoint® slides with video for instructors are available with this text. Test bank questions will be available in August 2020. Contact the author to learn more.

It is a wise, flexible, and openminded guide that pulls together the contemporary knowledge about substance abuse into one source. --Dr. William Van Ornum

Note: This is the bound book only and does not include access to MyCounselingLab® with Pearson eText. To order MyCounselingLab® with Pearson eText packaged with the bound book, use ISBN 0134280989. A practical collection of tools and strategies for prospective addictions counselors that includes a solid foundation of research, theory, and history. Practical and comprehensive, Foundations of Addiction Counseling explores an array of techniques and skills that a new practitioner will need in the real world while providing a thorough review of the research, theory, and history of addiction counseling. With chapters written by expert scholars, this text covers many topics in-depth often ignored by other comparable books, such as professional issues in addictions counseling, the assessment of client strengths, gender issues in substance abuse, working in rehabilitation centers, and working with clients with disabilities. Also available with MyCounselingLab® This title is also available with MyCounselingLab—an online homework, tutorial, and assessment program designed to work with the text to engage students and improve results. Within its structured environment, students see key concepts demonstrated through video clips, practice what they learn, test their understanding, and receive feedback to guide their learning and ensure they master key learning outcomes.

*Created to meet the unique needs of addiction professionals, this practical resource offers suggestions for effectively using activities in groups. It addresses common issues counselors frequently need to discuss with clients and provides an array of "tried and true" techniques and exercises designed to help clients develop interpersonal relationship skills and the individual awareness needed to make responsible choices. The accompanying CD-ROM contains all the exercises allowing therapists to customize them to fit their needs"--Provided by publisher.

A blend of theory and counseling techniques, this comprehensive text provides readers with an overview of several major counseling theories and their application to substance use disorders and addiction counseling, along with related techniques and interventions. Chapters incorporate cutting edge evidenced-based research on neuroscience, psychological and sociocultural theories explaining the biopsychosocial influences of substance use disorders, and examine how substance use disorder risk factors can be utilized when assessing someone who may have a substance use disorder. The text additionally helps apply theory to practice, offering intervention techniques and using accessible case studies. Throughout the text, highlighted learning opportunities and key terms further help students to practice and apply the theories, interventions and techniques that the book discusses. Mental health professionals, undergraduate and graduate students alike will benefit from this deft mix of prominent theory, innovative research and accessible case studies.

Note: This is the bound book only and does not include access to the Enhanced Pearson eText. To order the Enhanced Pearson eText packaged with a bound book, use ISBN 0133388530. Substance Abuse and Addiction Treatment shows how to help clients struggling with addiction by looking through the lens of counseling theory. After tackling basic concepts of substance abuse and dependence counseling, it looks at different counseling theories and how each supports the client with substance abuse issues. Offering more how-to's than most books, the author provides concrete descriptions of counseling theory in action, so readers know how to intervene during a real counseling session. A consistent case study is used throughout the entire book to illustrate different treatment approaches and techniques. The Enhanced Pearson eText features embedded video. Improve mastery and retention with the Enhanced Pearson eText* The Enhanced Pearson eText provides a rich, interactive learning environment designed to improve student mastery of content. The Enhanced Pearson eText is: Engaging. The new interactive, multimedia learning features were developed by the authors and other subject-matter experts to deepen and enrich the learning experience. Convenient. Enjoy instant online access from your computer or download the Pearson eText App to read on or offline on your iPad® and Android® tablet.* Affordable. The Enhanced Pearson eText may be purchased stand-alone or with a loose-leaf version of the text for 40-65% less than a print bound book. * The Enhanced eText features are only available in the Pearson eText format. They are not available in third-party eTexts or downloads. *The Pearson eText App is available on Google Play and in the App Store. It requires Android OS 3.1-4, a 7" or 10" tablet, or iPad iOS 5.0 or later.

A practical collection of tools and strategies for prospective addictions counselors that includes a solid foundation of research, theory, and history. Practical and comprehensive, Foundations of Addiction Counseling explores an array of techniques and skills that a new practitioner will need in the real world while providing a thorough review of the research, theory, and history of addiction counseling. With chapters written by expert scholars, this text covers many topics in depth often ignored by other comparable books, such as multiple chapters on cross-cultural counseling, professional issues in addictions counseling, the assessment of client strengths, gender issues in substance use, working in rehabilitation centers, and working with clients with disabilities. Combining practice, research, and theory, the 4th Edition of this unique text offers students the tools and strategies they need for successful practice. The revised edition includes new case studies, extended discussion in the chapters dedicated to substance and process addictions (Chs. 2-3), a thoroughly updated chapter on maintenance and relapse prevention (Ch. 13), and an expanded chapter on substance use and families (Ch 14). Also available with MyLab Counseling By combining trusted author content with digital tools and a flexible platform, MyLab personalizes the learning experience and improves results for each student. MyLab Counseling organizes all assignments around essential learning outcomes and the CACREP standards - enabling easy course alignment and reporting. Note: You are purchasing a standalone product. MyLab Counseling does not come packaged with this content. Students, if interested in purchasing this title with MyLab Counseling, ask your instructor to confirm the correct package ISBN and Course ID. Instructors, contact your Pearson representative for more information.
