Our American Government textbook adheres to the scope and sequence of introductory American government courses nationwide. We have endeavored to make the workings of American Government interesting and accessible to students while maintaining the conceptual coverage and rigor inherent in the subject at the college level. With this objective in mind, the content of this textbook has been developed and arranged to provide a logical progression from the fundamental principles of institutional design at the founding, to avenues of political participation, to thorough coverage of the political structures that constitute American government. The book builds upon what students have already learned and emphasizes connections between topics as well as between theory and applications. The goal of each section is to enable students not just to recognize concepts, but to work with them in ways that will be useful in later courses, future careers, and as engaged citizens. The organization and pedagogical features were developed and vetted with feedback from American government instructors dedicated to the project.

AGS United States History provides complete historical coverage--from the earliest days to the 2004 presidential election. This high-interest, low-readability text makes it easy for you to engage students who struggle with reading, language, or a learning disability. Lexile Level 880 Reading Level 3-4 Interest Level 6-12

Provides exercises and activities to teach the basics of mathematics.

Published by OpenStax College, U.S. History covers the breadth of the chronological history of the United States and also provides the necessary depth to ensure the course is manageable for instructors and students alike. U.S. History is designed to meet the scope and sequence requirements of most courses. The authors introduce key forces and major developments that together form the American experience, with particular attention paid to considering issues of race, class and gender. The text provides a balanced approach to U.S. history, considering the people, events and ideas that have shaped the United States from both the top down (politics, economics, diplomacy) and bottom up (eyewitness accounts, lived experience).

A comprehensive, standards-based world history program, this program covers the beginning of human society to contemporary times. With an easy-to-follow format, students are encouraged to read and gain more understanding about the world in which they live. World History provides engaging features such as a History in Your Life and Then and Now, which make history relevant. Biographies, Spotlight Stories, Map Skills and Map Studies, and Document-Based Readings provide multiple perspectives from which to view and learn about history.

AGS United States History provides complete historical coverage--from the earliest days to the 2004 presidential election. This high-interest, low-readability text makes it easy for you to engage students who struggle with reading, language, or a learning disability. Lexile Level 880 Reading Level 3-4 Interest Level 6-12

Meet the needs of all students with an engaging narrative, high-interest graphics, and outstanding teacher support.
