In a future world, only one man dares to think, strive, and love as an individual in the midst of a paralyzing collective humanity.

While some try to get out of prison, Soapy, the only character in O. Henry ' s short story, tries to get into it. Soapy is a homeless guy who prefers the warm cell to the cold night under the New York sky. He does everything he can think of in order to draw the attention of the police. However without any success. Until he hears a magical organ anthem. How will this story develop? Will Soapy manage to get into jail or he will find another way to sort out his life? "The Cop and the Anthem" is a comical short story with a touch of irony which emphatically presents the lower class and the obstacles man has to face. William Sidney Porter (1862-1919), known simply as O. Henry, was a prolific American author of humorous literary pieces. His fame came exceptionally quickly and he became a bestselling author of short story collections, among the most famous being "Cabbages and Kings", "The Voice of the City", and "Strictly Business." As a result of the outstanding literature legacy that O. Henry left behind, there is an American annual award after his name, given to exceptional short stories.

Modern Persian, Elementary Level is an innovative Persian language textbook. It is intended for university-level learners and features material for two consecutive semesters of elementary Persian. The textbook implements the most recent trends in language instruction including the basic tenets of flipped learning and communicative language teaching methodology with a student-centric approach to language instruction. Strengthened by its contemporary real-world topics; high-frequency structures and vocabulary; thematic presentation of material; a plethora of engaging speaking activities in each chapter; designated listening, reading and writing sections; and integration of cultural material, this textbook is a straightforward and culturally engaging way to acquire functional proficiency in spoken and written Persian. Complete with a companion website with over 200 audio and video presentations, an answer key, a searchable audio dictionary and a special appendix for instructors that features classroom activity materials for the entire year, this textbook is an innovative and modern language-learning resource. The textbook also comes in an E-book format to make language learning accessible on the go, wherever you are.
