Animal Farm specifically critiques Communism, as put forth by Karl Marx and Friedrich Engels's The Communist Manifesto, through its allegorical Animalism ideology. In his autobiographical writing, Orwell cited the British author W. Somerset Maugham as a major influence on his work, though he also wrote about his love of the works of Shakespeare and Charles Dickens, as well as the work of some of his contemporaries including T. S. Eliot and D. H. Lawrence.

setting.* understand what motivates each of the three 'lead' pigs.* discover the key themes that underpin the story* study sample essays and learn how to structure your own in-exam answer.* avoid common exam day pitfalls

The rebellion in Animal Farm starts with a promise that the animals will have a fairer future and a better life, but their failure to make their leaders accountable soon turns democracy into dictatorship. Through this book, Orwell shows us that the central question - what is it like to live under a violent dictatorship? - matters because these regimes continue to exist (and may always do so) in parts of the world today. Reading the book is akin to receiving a call to action; to be someone who questions what is not right. There are many study guides out there - and most are good at summarising the plot and characters. Few if any explain the context of the story as thoroughly as this guide. Understanding this, and how Orwell organises our responses as we read, (which this guide explains in depth) will make it easier for you to achieve a higher grade. Interested? All you need is a few clear hours and a willingness to begin with an open, curious mind. Like every Gavin's Guide for A and GCSE level, this study guide aims to help you come to appreciate a classic author AND raise your exam grade.

Animal Farm is an allegorical novella by George Orwell. The book tells the story of a group of farm animals who rebel against their human farmer, hoping to create a society where the animals can be equal, free, and happy. Ultimately, however, the rebellion is betrayed, and the farm ends up in a state as bad as it was before, under the dictatorship of a pig named Napoleon. One night, all the animals at Mr. Jones' Manor Farm assemble in a barn to hear old Major, a pig, describe a dream he had about a world where all animals live free from the tyranny of their human masters. old Major dies soon after the meeting, but the animals — inspired by his philosophy of Animalism — plot a rebellion against Jones. Two pigs, Snowball and Napoleon, prove themselves important figures and planners of this dangerous enterprise. When Jones forgets to feed the animals, the revolution occurs, and Jones and his men are chased off the
