"Aula abierta is comprised of brief, modular lessons that are organized around a communicative goal, in which students have the opportunity to show what they can do using Spanish effectively. Each lesson carefully scaffolds student progress through a series of pedagogical tasks that prepare students to accomplish the final goal. Grammar, vocabulary, and pragmatic knowledge are treated more as linguistic resources than as topics of instruction. Throughout each lesson, we have taken a comparative, global approach to Hispanic culture, highlighting authentic materials from around the world, as well as Latino communities within the United States. The learning experience is highly visual, providing students with a compelling introduction to the Spanish language and culture"--

Yet when Fredrika Bremer visits from Sweden in 1851 to learn about the people of this magical island, she is accompanied by Cecilia, a young slave who longs for her lost home in Africa. Soon Elena, the wealthy daughter of the house, sneaks out to join them. As the three women explore the lush countryside, they form a bond that breaks the barriers of language and culture. In this quietly powerful new book, award-winning poet Margarita Engle paints a portrait of early women's rights pioneer Fredrika Bremer and the journey to Cuba that transformed her life. The Firefly Letters is a 2011 Pura Belpré Honor Book for Narrative and a 2011 Bank Street - Best Children's Book of the Year.
