Bianca come il latte, rossa come il sangue

Alessandro D'Avenia è un mio compaesano. Ho avuto il piacere di conoscerlo ed è una persona umile, ma molto molto colta. I suoi primi libri hanno avuto il pregio di parlare con un linguaggio semplice e diretto. Bianca come il latte e rossa come il sangue e il suo testo migliore in assoluto, da cui è nato anche un film.

Bianca Come Il Latte Rossa Come Il Sangue - Clip 1 - YouTube

Leo è un sedicenne come tanti: ama le chiacchiere con gli amici, il calcetto, le scorribande in motorino e vive in perfetta simbiosi con il suo iPod. Le ore passate a scuola sono uno strazio, i professori "una specie protetta che sperì si estingua definitivamente".

Hailed as Italy’s The Fault in Our Stars, this Italian bestseller is now available for the first time in English. “I was born on the first day of school, and I grew up and old in just two hundred days . . .” Sixteen-year-old Leo has a way with words, but he doesn’t know it yet. He spends his time texting, polishing soccer maneuvers, and killing time with Niko and Silvia. Until a new teacher arrives and challenges him to give voice to his dreams. And so Leo is inspired to win over the red-haired beauty Beatrice. She doesn’t know Leo exists, but he’s convinced that his dream will come true. When Leo lands in the hospital and learns that Beatrice has been admitted too, his mission to be there for her will send him on a thrilling but heartbreaking journey. He wants to help her but doesn’t know how—and his dream of love will force him to grow up fast. Having already sold over a million copies, Alessandro D'Avenia’s debut novel is considered Italy’s The Fault in Our Stars. Now available in English for the first time, this rich, funny, and heartwarming coming-of-age tale asks us to explore the meaning—and the cost—of friendship, and shows us what happens when suffering bursts into the world of teenagers and renders the world of adults speechless.

The school year is finished, exams are over and summer stretches before seventeen-year-old Federico, full of promise and opportunity. But then he accepts a request from one of his teachers to help out at a youth club in the destitute Sicilian neighbourhood of Brancaccio. This narrow tangle of alleyways is controlled by local mafia thugs, but it is also the home of children like Francesco, Maria, Dario, Totò: children with none of Federico's privileges, but with a strength and vitality that changes his life forever. Written in intensely passionate and lyrical prose, What Hell Is Not is the phenomenal Italian bestseller about a man who brought light to one of the darkest corners of Sicily, and who refused to give up on the future of its children.

The phenomenal New York Times bestseller that “explores the upstairs-downstairs goings-on of a posh Parisian apartment building” (Publishers Weekly). In an elegant hôtel particulier in Paris, Renée, the concierge, is all but invisible—short, plump, middle-aged, with bunions on her feet and an addiction to television soaps. Her only genuine attachment is to her cat, Leo. In short, she’s everything society expects from a concierge at a bourgeois building in an upscale neighborhood. But Renée has a secret: She furtively, ferociously devours art, philosophy, music, and Japanese culture. With biting humor, she scrutinizes the lives of the tenants—her inferiors in every way except that of material wealth. Paloma is a twelve-year-old who lives on the fifth floor. Talented and precocious, she’s come to terms with life’s seeming futility and decided to end her own on her thirteenth birthday. Until then, she will continue hiding her extraordinary intelligence behind a mask of mediocrity, acting the part of an average pre-teen high on pop culture, a good but not outstanding student, an obedient if obstinate daughter. Paloma and Renée hide their true talents and finest qualities from a world they believe cannot or will not appreciate them. But after a wealthy Japanese man named Ozu arrives in the building, they will begin to recognize each other as kindred souls, in a novel that exalts the quiet victories of the inconspicuous among us, and “teaches philosophical lessons by shrewdly exposing rich secret lives hidden beneath conventional exteriors” (Kirkus Reviews). “The narrators’ kinetic minds and engaging voices (in Alison Anderson’s fluent translation) propel us ahead.” —The New York Times Book Review “Barbery’s sly wit . . . bestows lightness on the most ponderous cogitations.” —The New Yorker

The historical adult debut novel by # 1 New York Times bestselling author Lauren Kate, The Orphan's Song is a breathtaking story of passion, heartbreak, and betrayal, and a celebration of the enduring nature and transformative power of love. "A tangled knot of betrayal and love, lies and redemption. Marvelous." --Fiona Davis, author of The Address A song brought them together. A secret will tear them apart. When Violetta and Mino meet, one finds true love and the other denies it. Both orphans at the Hospital of the Incurables in Venice, an orphanage and music conservatory, they meet and make music together clandestinely until Violetta is selected for the Incurables' renowned chorus. In order to join she signs an oath never to sing beyond the church doors, effectively sequestering herself for life. Mino flees, heartbroken. Too late, Violetta realizes what she has lost. In rebellion she begins a dangerous and forbidden nightlife, unknowingly drawing closer to Mino as he searches Venice for his long-lost mother. Mino and Violetta must each journey through passion, heartache, and betrayal before a dangerous secret reunites them, leading to a shocking and final confrontation.

Own it, snowflakes: you've lost everything you claim to hold dear. White is Bret Easton Ellis's first work of nonfiction. Already the bad boy of American literature, from Less Than Zero to American Psycho, Ellis has also earned the wrath of right-thinking people everywhere with his provocations on social media, and here he escalates his admonishment of received truths as expressed by today's version of "the left." Eschewing convention, he embraces views that will make many in literary and media communities cringe, as he takes aim at the relentless anti-Trump fixation, coastal elites, corporate censorship, Hollywood, identity

politics, Generation Wuss, "woke" cultural watchdogs, the obfuscation of ideals once both cherished and clear, and the fugue state of American democracy. In a young century marked by hysterical correctness and obsessive fervency on both sides of an aisle that's taken on the scale of the Grand Canyon, White is a clarion call for freedom of speech and artistic freedom. "The central tension in Ellis's art—or his life, for that matter—is that while [his] aesthetic is the cool reserve of his native California, detachment over ideology, he can't stop generating heat.... He's hard-wired to break furniture."—Karen Heller, *The Washington Post* "Sweating with rage . . . humming with paranoia."—Anna Leszkiewicz, *The Guardian* "Snowflakes on both coasts in withdrawal from Rachel Maddow's nightly Kremlinology lesson can purchase a whole book to inspire paroxysms of rage . . . a veritable thirst trap for the easily microaggressed. It's all here. Rants about Trump derangement syndrome; MSNBC; #MeToo; safe spaces."—Bari Weiss, *The New York Times*

This special edition traces David Hockney's work over the course of six decades. We follow his stylistic development and experience how he reinvents himself again and again—from his teenage years at art school to the extensive portrait series, iPad drawings, and landscape paintings of recent years. The volume contains illustrations of all his important works, plus drawings, prints, portrait photos, and exhibition views, as well as a chronological text on his life and work, quoting extensively from contemporary reviews and Hockney's own reflections on art. About the series TASCHEN turns 40 this year! Since we started our work as cultural archaeologists in 1980, TASCHEN has become synonymous with accessible publishing, helping bookworms around the world curate their own library of art, anthropology, and aphrodisia at an unbeatable price. In 2020, we celebrate 40 years of incredible books by staying true to our company credo. The 40 series presents new editions of some of the stars of our program—now more compact, friendly in price, and still realized with the same commitment to impeccable production.

It is told that not all of the 300 Spartan warriors died in the battle of Thermopylae. Two were saved, and they brought back a message to the city of Sparta in order to save them from further slaughter. Spartan is the saga of a family torn apart by a cruel law that forces them to abandon one of their sons - born lame - to the elements, while the other is trained in the caste of warriors. A thrilling tale, lavished with historical detail, from the author of the Alexander trilogy and *The Last Legion*, which became a 2007 film starring Colin Firth.

#1 New York Times bestselling author Sophie Kinsella returns with a festive new Shopaholic adventure filled with holiday cheer and unexpected gifts. “Funny, charming, and the perfect read to get into the holiday spirit.”—PopSugar ‘Tis the season for change and Becky Brandon (née Bloomwood) is embracing it, returning from the States to live in the charming village of Letherby and working with her best friend, Suze, in the gift shop of Suze’s stately home. Life is good, especially now that Becky takes time every day for mindfulness—even if that only means listening to a meditation tape while hunting down online bargains. But Becky still adores the traditions of Christmas: Her parents hosting, carols playing on repeat, her mother pretending she made the Christmas pudding, and the neighbors coming ‘round for sherry in their terrible holiday sweaters. Things are looking cheerier than ever, until Becky’s parents announce they’re moving to ultra-trendy Shoreditch—unable to resist the draw of craft beer and smashed avocados—and ask Becky if she’ll host this year. What could possibly go wrong? Becky’s sister demands a vegan turkey, her husband insists that he just wants aftershave (again), and little Minnie needs a very specific picnic hamper: Surely Becky can manage all this, as well as the surprise appearance of an old boyfriend-turned-rock star and his pushy new girlfriend, whose motives are far from clear. But as the countdown to Christmas begins and her bighearted plans take an unexpected turn toward disaster, Becky wonders if chaos will ensue, or if she’ll manage to bring comfort and joy to Christmas after all. Praise for Christmas Shopaholic “Kinsella’s popular heroine, Becky Bloomwood Brandon, is back for a delightful ode to shopping, in the engaging eighth Shopaholic novel, this time with a Christmas theme. . . . Becky is as whimsical and wonderful as ever. . . . Kinsella delivers a solid and laugh-out-loud funny installment that longtime readers and new fans alike will gleefully devour.”—Publishers Weekly
