After Maggie Polisi, an associate at the law firm of Parker & Gould, breaks off a relationship with a partner, Simon Clark, she is denied partnership. Polisi sues Clark and the firm for gender discrimination, sexual harassment (quid pro quo and hostile work environment), and defamation. This case file is designed to teach advanced trial skills in a complex action involving both liability and damages. There are three witnesses for both the plaintiff and the defendants. This particular file is the expert edition focusing on trial skills and use of expert witnesses.

Make workplace conflict resolution a game that EVERYBODY wins! Recent studies show that typical managers devote more than a quarter of their time to resolving coworker disputes. The Big Book of Conflict-Resolution Games offers a wealth of activities and exercises for groups of any size that let you manage your business (instead of managing personalities). Part of the acclaimed, bestselling Big Books series, this guide offers step-by-step directions and customizable tools that empower you to heal rifts arising from ineffective communication, cultural/personality clashes, and other specific problem areas—before they affect your organization's bottom line. Let The Big Book of Conflict-Resolution Games help you to: Build trust Foster morale Improve processes Overcome diversity issues And more Dozens of physical and verbal activities help create a safe environment for teams to explore several common forms of conflict—and their resolution. Inexpensive, easy-to-implement, and proved effective at Fortune 500 corporations and mom-and-pop businesses alike, the exercises in The Big Book of Conflict-Resolution Games delivers everything you need to make your workplace more efficient, effective, and engaged.

Unevenly distributed resources and rising costs have become enduring problems in the American health care system. Health care is more expensive in the United States than in other wealthy nations, and access varies significantly across space and social classes. James A. Schafer Jr. shows that these problems are not inevitable features of modern medicine, but instead reflect the informal organization of health care in a free market system in which profit and demand, rather than social welfare and public health needs, direct the distribution and cost of crucial resources. The Business of Private Medical Practice is a case study of how market forces influenced the office locations and career paths of doctors in one early twentieth-century city, Philadelphia, the birthplace of American medicine. Without financial incentives to locate in poor neighborhoods, Philadelphia doctors instead clustered in central business districts and wealthy suburbs. In order to differentiate their services in a competitive marketplace, they also began to limit their practices to particular specialties, thereby further restricting access to primary care. Such trends worsened with ongoing urbanization. Illustrated with numerous maps of the Philadelphia neighborhoods he studies, Schafer's work helps underscore the role of economic self-interest in shaping the geography of private medical practice and the growth of medical specialization in the United States.

This is the eBook of the printed book and may not include any media, website access codes, or print supplements that may come packaged with the bound book. Advance your everyday proficiency with Word 2016 a nd earn the credential that proves it! Demonstrate your expertise with Microsoft Word!
