Carpentry And
Building

Construction

[PDF]

Carpentry is one of the oldest construction trades and is in high demand.

Online Library Carpentry And

Carpenters use natural materials (wood/timber) to install wooden fixtures and fittings. As a carpenter you could be installing doors, floors and furniture in new builds, renovating or

Online Library Carpentry And

refitting
existing
structures,
building sets
for film and
theatre
companies and
much more.
