Yet millions of workers quit their jobs every month because they haven't gotten a promotion. It's natural to want to make the most out of one's career--after all, we spend more time working than any other activity in our busy lives. But the stark reality is that job-hopping in search of advancement and

Bookmark File

PDF Change

fulfillment may actually have the opposite effect. So what's the best way to "get promoted?"

According to Rick Whitted, it's about outgrowing your space--making your current job bigger and bigger until management gives you a larger role and increased responsibilities. With a lifetime of experience

Bookmark File

PDF Change

and research to back
him up, Whitted shows
readers how to address
those things inside of us
that prevent career
progression--things like
self-entitlement, the
desire to skip steps, and
pride--and instead
pursue excellence right
where we are. Readers
will be challenged to
identify why they want
a promotion, define for
