Written specifically for the experienced nurse enrolled in an

Download File

PDF

RN-to-BSN program, this text guides nurses through an interactive critical thinking process to become effective and confident nurse leaders. All nurses involved with direct patient care already rely on similar strategies to oversee patient safety, make care decisions, and

Download File PDF

integrate plan of care in collaboration with patients and families. This text expands upon that knowledge and provides a firm base to reach the next steps in academia and practice, enabling the BSN-prepared nurse to tackle serious issues in care delivery with a high level of

Download File

PDF

self-awareness and skill. Leadership and Management Competence in Nursing Practice relies on a keen understanding of what experienced nurses already bring to the classroom. This text provides a core framework and useful skills and strategies to successfully lead
