problem-solving approach, interesting A  
applications woven throughout the  
Systematic Approach  
chapters, and a wide range of end-of-  
chapter problems.

Welcome to the second edition of *Avanti!*  
In the new edition our priorities remain the  
same as those of the first edition, to

Access Free Connect 2  
Semester Access Card For  
provide an introductory language course A  
that meets the needs of both instructors  
and learners. Three significant  
characteristics set Avanti! apart from other  
first-year Italian texts: First, Avanti!  
satisfies students' desire to communicate  
in everyday situations right from the start  
and to explore Italy's rich and unique

Access Free Connect 2  
Semester Access Card For  
culture in meaningful ways. Second, Avanti! responds to instructors' concern that most textbooks attempt to cover too much material in the first year. We have designed an elementary course that reflects reasonable expectations for the amount of material that most beginning learners can acquire in one year of

Access Free Connect 2  
Semester Access Card For  
classroom instruction. Third, the  
methodology of Avanti! is firmly  
grounded in current findings of research in  
second language acquisition and foreign  
language pedagogy. The materials provide  
support for instructors, particularly those  
with limited experience, whose goals are  
to teach mainly, if not exclusively, in

Access Free Connect 2  
Semester Access Card For  
Italian, and to create the student-centered,  
communicative classroom environment  
that is promoted by this research. The title  
Avanti! was chosen to convey the forward-  
thinking approach of this exciting new  
program.
