Doctored Evidence (Commissario Brunetti, #13) by Donna Leon

While a bit too slow to rank among her best, Leon's 13th atmospheric Commissario Guido Brunetti mystery (after 2003's Uniform Justice) still offers many pleasures, including a clever puzzle. When greedy, curmudgeonly Maria Grazia Battestini is murdered, the Venetian police suspect her Romanian housekeeper, whom they shoot when she tries to evade questioning.

Donna Leon's second Commissario Guido Brunetti Mystery, "Doctored Evidence," sadly does not live up to the first volume. The books almost seem written by two different people. The pacing in the second book is ghastly with a story line that moves so slow as to cause the reader to lose interest.

When Commissario Brunetti is summoned in the middle of the night to the hospital bed of a pediatrician, he is confronted with more questions than answers. Three men, a young carabinieri captain and two privates from out of town, burst into the doctor's apartment while the family was sleeping, attacked him, and took away his 18-month-old boy.

When a wealthy Venetian woman is found brutally murdered, the prime suspect is her Romanian maid, who has fled the city. As she attempts to leave the country, carrying a considerable sum of money and forged papers, the maid runs into the path of an oncoming train and is killed. Case closed. But when the old woman's neighbour returns from abroad, it becomes clear that the maid could not have been the killer. Commissario Brunetti decides - unofficially - to take the case on himself. As Brunetti investigates, it becomes clear that the motive for the murder was unlikely to have been greed, rather that it had its roots in the temptations of lust. But perhaps Brunetti is thinking of the wrong deadly sin altogether...

Venetian police detective Guido Brunetti investigates when a Romanian housekeeper is falsely accused of murdering her employer.

When an immigrant dies on a Venice street, it will take a determined detective to pursue the case to its shocking end: "[An] outstanding series." --Marilyn Stasio, The New York Times Book Review On a cold Venetian night shortly before Christmas, a street vendor is killed in a scuffle in Campo San Stefano. The closest witnesses to the event are the tourists who had been browsing the man's wares before his death-fake handbags of every designer label. The dead man was one of the many African immigrants purveying goods outside normal shop hours and trading without a work permit. Once Commissario Guido Brunetti begins to investigate this unfamiliar Venetian underworld, he discovers that matters of great value are at stake within the secretive society. And his boss's warning to avoid getting involved only makes Brunetti more determined to unearth the truth behind this mysterious killing. "[A] stunning novel . . . an engrossing, complex plot." --Publishers Weekly, starred review "The appeal of Guido Brunetti, the hero of Donna Leon's long-running Venetian crime series, comes not from his shrewdness, though he is plenty shrewd, nor from his quick wit. It comes, instead, from his role as an Everyman . . . [his life is] not so different from our own days at the office or nights around the dinner table. Crime fiction for those willing to grapple with, rather than escape, the uncertainties of daily life." --Booklist

A wall of silence surrounds a cadet's death at an elite military academy: "Superb . . . This is an outstanding book." --Publishers Weekly Detective Commissario Guido Brunetti has been called to investigate a parent's worst nightmare. A young cadet has been found hanged, a presumed suicide, in Venice's elite military academy. Brunetti's sorrow for the boy, so close in age to his own son, is rivaled only by his contempt for a community that is more concerned with protecting the reputation of the school, and its privileged students, than understanding this tragedy. The young man is the son of a doctor and former politician--a man of impeccable integrity, all too rare in politics. Dr. Moro is clearly devastated; but while both he and his apparently estranged wife seem convinced that the boy's death could not have been suicide, neither appears eager to talk to the police or involve Brunetti in any investigation of the circumstances in which he died. As Brunetti pursues his inquiry, he is faced with a wall of silence. Is the military protecting its own? And what of the other witnesses? Is this the natural reluctance of Italians to involve themselves with the authorities, or is Brunetti facing a conspiracy far greater than this one death? "Brunetti is a compelling character, a good man trying to stay on the honest path in a devious and twisted world." --The Baltimore Sun

An Italian police detective looks into the deaths of two fishermen in an isolated island community: "Leon's Venetian mysteries never disappoint." --The New York Times Book Review On a beautiful spring morning on the island of Pellestrina, south of the Lido on the Venetian lagoon, a small boat moored at the docks suddenly explodes, killing two local clam fishermen. When it becomes clear that the fire was deliberately set, Brunetti decides to investigate. But when he tries to dig up information about the murder, the island's tight-knit, closemouthed community closes ranks--forcing Brunetti to accept Signorina Elettra's offer to visit her relatives there to search for clues. On the island, Brunetti finds himself torn between his duty to solve the murders and his concerns for the Signorina's safety. And though he is loyal to his beloved wife, Brunetti's concern for his boss's spirited secretary may be driven by more than platonic feeling . . . "The arrival of a new Donna Leon book fills me with pleasurable anticipation. She tells a good story, including the best of all current police detectives, Commissario Brunetti, and locates it in a superbly described Venice. The plot is beautifully constructed. The climax is exciting and disturbing . . . Brunetti is as irresistible as ever." --The Scotsman "The sophisticated but still moral Brunetti, with his love of food and his loving family, proves a worthy custodian of timeless values and verities." --TheWall Street Journal

A conductor succumbs to cyanide at the famed Venice opera house, in the first mystery in the New York Times--bestselling, award-winning series. During intermission at the famed La Fenice opera house in Venice, Italy, a notoriously difficult and widely disliked German conductor is poisoned--and suspects abound. Guido Brunetti, a native Venetian, sets out to unravel the mystery behind the high-profile murder. To do so, he calls on his knowledge of Venice, its culture, and its dirty politics. Along the way, he finds the crime may have roots going back decades--and that revenge, corruption, and even Italian cuisine may play a role. "One of the most exquisite and subtle detective series ever." --The Washington Post "A brilliant writer . . . an immensely likable police detective who takes every murder to heart." --The New York Times Book Review

Venice's Commissario Brunetti takes on his "most difficult and politically sensitive case to date" in the gripping New York Times--bestselling series (Booklist). In Death and Judgment, a truck crashes and spills its dangerous cargo on a treacherous road in the Italian Dolomite mountains. Meanwhile, in Santa Lucia, a prominent international lawyer is found dead aboard an intercity train. Suspecting a connection between the two tragedies, Brunetti digs deep for an answer, stumbling upon a seedy Venetian bar that holds the key to a crime network that reaches far beyond the laguna. But it will take another violent death in Venice before Brunetti and his colleagues begin to understand what is really going on. "No one is more graceful and accomplished than Leon." --The Washington Post "The sophisticated but still moral Brunetti, with his love of food and his loving family, proves a worthy custodian of timeless values and verities." --The Wall Street Journal "[Brunetti's] humane police work is disarming, and his ambles through the city are a delight." --The New York Times Book Review "The heady atmosphere of Venice and a galaxy of fully realized characters enrich this intriguing and finally horrifying tale." --Publishers Weekly "The first of Leon's books to

knit together all her strengths: endearing detective, jaundiced social pathology, and a paranoid eye for plotting on a grand scale.” –Kirkus Reviews

“A dramatic and deeply satisfying climax . . . a high-stakes mystery in which the setting vibrates with as much life as the story itself.” –Publishers Weekly As Venice braces for a winter tempest, intrepid Italian sleuth Commissario Guido Brunetti finds out that an archaeologist and old friend has been savagely beaten at the palazzo home of opera singer Flavia Petrelli. Then, as the floodwaters rise, the corpse of a museum director is discovered—and Brunetti must wade through the chaotic city to solve his deadliest case yet. “An evocative peep into the dark underworld of the beautiful city.” –Time Out London “A superb police detective.” –Library Journal Also published under the title Death in High Water

A New York Times bestseller: The police investigate the death of a veterinarian in Venice, Italy in this “swiftly paced” mystery (The Seattle Times). When the body of man is found in a canal, damaged by the tides, carrying no wallet, and wearing only one shoe, Guido Brunetti has little to work with. No local has filed a missing-person report, and no hotel guests have disappeared. The autopsy shows he had suffered from a rare, disfiguring disease. A shopkeeper tells Brunetti that the man had a kindly way with animals. Finally, the victim is identified as a much-loved veterinarian—and Brunetti’s quest to find the killer will take him on a harrowing journey . . . “All her trademark strengths shine in this swiftly paced, sophisticated tale of greed versus ethics.” –The Seattle Times “Written with such delicacy and emotional force that we can’t help but be reminded of Greek tragedy.” –Booklist, starred review

The Italian police detective’s latest case hits close to home, in this novel in the New York Times–bestselling series. For Commissario Brunetti, it began with an early morning phone call. In the chill of the Venetian dawn, a sudden act of vandalism shatters the quiet of the deserted city. But Brunetti is shocked to find that the culprit waiting to be apprehended at the scene is someone from his own family. Meanwhile, Brunetti is under pressure from his superiors to solve a daring robbery with a link to a suspicious accidental death. Does it all lead back to the Mafia? And how are his family’s actions connected to these crimes? The truth must be uncovered in this novel in the Silver Dagger Award–winning series by “one of the best of the international crime writers” (Rocky Mountain News). “Leon’s devoted readers love her books for their juicy mystery plots, and also for the rich and varied cast of recurring characters, among which is the city of Venice itself.” –Publishers Weekly
