Philippines

During the first three days of the Japanese assault on American Pacific bases in December of 1941, the 24th Pursuit Group, the only unit of

Acces PDF

Doomed Start

interceptor aircraft in the Philippine Islands, was almost destroyed as an effective force. Yet the group's pilot, doomed from the start by their limited training, an inadequate air warning system, and lack of familiarity with the few flyable pursuit

Acces PDF Doomed Start

American aircraft they had left, fought on against immensely superior numbers of Japanese army and navy fighters.

Ten hours after the attack on Pearl Harbor, "another Pearl Harbor" of even more devastating consequence for

Acces PDF

Doomed Start

American arms
occurred in the
Philippines, 4,500
miles to the west.

On December 8,
1941, at 12.35
p.m., 196 Japanese
Navy bombers and
fighters crippled
the largest force of
B-17 four-engine
bombers outside
the United States
and also decimated

Acces PDF

Doomed Start

their protective
P-40 interceptors.
The sudden blow
allowed the
Japanese to rule
the skies over the
Philippines,
removing the only
effective barrier
that stood between
them and their
conquest of
Southeast Asia.
This event has

Acces PDF

Doomed Start

been called "one of the blackest days in American military history."

How could the army commander in the Philippines—the renowned Lt. Gen. Douglas MacArthur—have been caught with all his planes on the ground when

Acces PDF

Doomed Start

he had been alerted in the small hours of that morning of the Pearl Harbor attack and warned of the likelihood of a Japanese strike on his forces? In this book, author William H. Bartsch attempts to answer this and other related questions.

Acces PDF

Doomed Start

Bartsch draws upon twenty-five years of research into American and Japanese records and interviews with many of the participants themselves, particularly survivors of the actual attack on Clark and Iba air bases. The

Acces PDF

Doomed Start

dramatic and detailed coverage of the attack is preceded by an account of the hurried American build-up of air power in the Philippines after July, 1941, and of Japanese planning and preparations for this opening assault of its

Acces PDF Doomed Start

Southern
Operations. Bartsch
Pursuit Pilots
Philippines
juxtaposes the
experiences of staff
of the U.S. War
Department in
Washington and its
Far East Air Force
bomber, fighter,
and radar
personnel in the
Philippines, who
were affected by
its decisions, with

Acces PDF

Doomed Start

those of Japan's Imperial General Headquarters in Tokyo and the 11th Air Fleet staff and pilots on Formosa, who were assigned the responsibility for carrying out the attack on the Philippines five hundred miles to the south. In order to put the

Acces PDF

Doomed Start

December 8th
attack in broader
context, Bartsch
details micro-level
personal
experiences and
presents the
political and
strategic aspects of
American and
Japanese planning
for a war in the
Pacific. Despite the
significance of this

Acces PDF Doomed Start

subject matter, it has never before been given full book-length treatment. This book represents the culmination of decades-long efforts of the author to fill this historical gap.

Following their
rampage through

Acces PDF

Doomed Start

Southeast Asia and the Pacific in the five months after Pearl Harbor, Japanese forces moved into the Solomon Islands, intending to cut off the critical American supply line to Australia. But when they began to construct an airfield on

Acces PDF Doomed Start

Guadalcanal in July 1942, the Americans captured the almost completed airfield for their own strategic use. The Japanese Army countered by sending to Guadalcanal a reinforced battalion under the command of Col.

Acces PDF

Doomed Start

Kiyonao Ichiki. The attack that followed would prove to be the first of four attempts by the Japanese over six months to retake the airfield, resulting in some of the most vicious fighting of the Pacific War. During the initial battle on

Access PDF

Doomed Start

the night of August 20–21, 1942, Marines wiped out Ichiki's men, who—imbued with “victory fever”—had expected a quick and easy victory. William H. Bartsch draws on correspondence, interviews, diaries, memoirs, and

Acces PDF

Doomed Start

official war records, including those translated from Japanese sources, to offer an intensely human narrative of the failed attempt to recapture Guadalcanal's vital airfield.

□ During the first 10 months of the

Acces PDF

Doomed Start

war in the Pacific, Japan achieved air supremacy with its carrier and land-based forces. But after major setbacks at Midway and Guadalcanal, the empire's expansion stalled, in part due to flaws in aircraft design, strategy and command. This

Acces PDF Doomed Start

book offers a fresh analysis of the air war in the Pacific during the early phases of World War II. Details are included from two expeditions conducted by the author that reveal the location of an American pilot missing in the Philippines since

Acces PDF Doomed Start

1942 and clear up
a controversial
account involving
famed Japanese
ace Saburo Sakai
and U.S. Navy pilot
James "Pug"
Southerland.

Surprise Attack
explores sixty plus
years of military
and terror threats
against the United

Acces PDF

Doomed Start

American Pursuit Pilots Philippines

States. It examines the intelligence tools and practices that provided warnings of those attacks and evaluates the United States' responses, both in preparedness – and most importantly – the effectiveness of our military and national command

Acces PDF Doomed Start

authority. Contrary to common claims, the historical record now shows that warnings, often very solid warnings, have preceded almost all such attacks, both domestic and international. Intelligence practices developed early in

Acces PDF

Doomed Start

the Cold War, along with intelligence collection techniques have consistently produced accurate warnings for our national security decision makers. Surprise Attack traces the evolution and application of those practices and

Acces PDF Doomed Start

explores why such warnings have often failed to either interdict or intercept actual attacks. Going beyond warnings, Surprise Attack explores the real world performance of the nation's military and civilian command and control history –

Acces PDF

Doomed Start

exposing
disconnects in the
chain of command,
failures of

command and
control and
fundamental
performance issues
with national
command
authority. America
has faced an
ongoing series of
threats, from the

Acces PDF Doomed Start

attacks on Hawaii and the Philippines in 1941, through the crises and confrontations of the Cold War, global attacks on American personnel and facilities to the contemporary violence of jihadi terrorism. With a detailed study of

Acces PDF

Doomed Start

those threats, the attacks related to them, and America's response, a picture of what works – and what doesn't – emerges. The attacks have been tragic and we see the defensive preparations and response often ineffective. Yet

Acces PDF Doomed Start

Lessons can be learned from the experience; Surprise Attack represents a comprehensive effort to identify and document those lessons.

Acces PDF

Doomed Start

Military obligations rested lightly upon the Filipino people for much of the period that America occupied the Philippines, but Filipinos could enlist in the United States Army and Navy, attend the service academies at West Point and Annapolis, or join

Acces PDF Doomed Start

military
organizations
restricted to duty
in the islands such
as the Philippine
Scouts, Philippine
Constabulary,
Philippine National
Guard, and the
navy's insular
force. In the 1930s,
the Philippine
government
established its own

Acces PDF Doomed Start

armed forces.
Throughout much
of this time, the
U.S. army also kept
a substantial
portion of its troop
strength in the
Philippines. This
annotated
bibliography of
nearly 700 titles
highlights the
extent and variety
of the Philippine-

Acces PDF

Doomed Start

American military experience from the conquest of the islands by the United States in 1902 to the defeat of Philippine and American forces by the Japanese in 1942. The bibliography includes memoirs and biographies of Filipino and

Acces PDF

Doomed Start

American officers and enlisted men (from MacArthur to Ferdinand Marcos), unit histories, army post and navy base histories, medals and insignia books, and the most extensive list of prisoner-of-war memoirs yet published.
