"Driving Mr. Yogi" tells the story of Yogi Berra and Ron Guidry. While Yogi coached and managed the star hurler in the 1970's and 1980's, the book was mainly about their friendship starting in 2000, when Yogi returned to Yankee spring training camp as a special instructor - as Guidry was - and how Ron drove Yogi around during the weeks they were in Florida.

A narrative account of the friendship shared between the Hall of Fame catcher and the Yankees pitcher describes their annual reunions in Florida during spring training, offering insight into Berra's role in mentoring younger players and their respective views on major players and events. 200,000 first printing.

“A warm, sentimental look at a baseball icon” (The Tampa Tribune). Driving Mr. Yogi is the story of a unique friendship between two New York Yankees legends—a pitcher and catcher—who share rides, meals, and a bond that transcends the twenty-five-year difference in their ages. The story begins in 1999, when Hall of Famer Yogi Berra is reunited with the Yankees after a long self-exile, the result of being unceremoniously fired by team owner George Steinbrenner fourteen years before. A reconciliation between Berra and the boss means that Berra will once again attend spring training. Retired-pitcher-turned-pitching-coach Ron Guidry knows the club’s young players will benefit from “Mr. Yogi’s” encyclopedic knowledge of the game, just as Guidry had during his playing days, so he encourages his old mentor to share his insights. In Yogi, Guidry finds not just a personable dinner companion or source of amusement—he finds a best friend. At turns tender and laugh-out-loud funny, and teeming with unforgettable baseball yarns that span more than fifty years, Driving Mr. Yogi is a universal story about

the importance of wisdom being passed from one generation to the next, as well as a reminder that time is what we make of it and compassion never gets old. "Funny, revealing, and surprising . . . Anything that brings new Yogi Berra stories is a good book." —MLB.com "Lovingly documented . . . You'll find yourself wishing it ain't over till it's over." —Parade magazine

Celebrate one of the greatest and most beloved baseball players who ever lived—and certainly the most quoted. The Yogi Book is the New York Times bestseller filled with Yogi Berra's immortal sayings, plus photographs, a career timeline, and appreciations by some of his greatest fans, including Billy Crystal and Tim McCarver. Yogi Berra's gift for saying the smartest things in the funniest, most memorable ways has made him a legend. The Yogi Book brings all of his famous quotes together in one place—and even better, gives the story behind them. "It ain't over till it's over."—that's Yogi's answer to a reporter when he was managing the Mets in July 1973, and they were nine games out of first place (not only quotable, but prophetic—they won the pennant). "Nobody goes there anymore. It's too crowded."—Yogi's comment to Stan Musial and Joe Garagiola about Ruggeri's restaurant in St. Louis in 1959. "It gets late early out there."—Yogi describing how shadows crept across Yankee Stadium's left field during late autumn afternoons.

"Allen Barra brings a legendary figure from the true golden age of baseball to life."—Bob Costas Yogi Berra is one of the most popular former athletes in American history, and the most quoted American since Abraham Lincoln. Part clown, part feisty competitor, Berra is also the winningest player (fourteen pennants, ten World Series, 3 MVPs) in baseball history. In this revelatory biography, Allen Barra presents Yogi's remarkable life as never seen before with nearly one hundred photos and countless "Yogi-isms," and offers hilarious insights into many of baseball's greatest moments. From calling Don Larsen's perfect game, to managing the 1973 "You Gotta Believe" New York Mets, Yogi's life and career are a virtual cutaway view of our national pastime in the twentieth century.

In the tradition of *The Boys of Summer* and *The Bronx Is Burning*, New York Times sports columnist Harvey Araton delivers a fascinating look at the 1970s New York Knicks—part autobiography, part sports history, part epic, set against the tumultuous era when Walt Frazier, Willis Reed, and Bill Bradley reigned supreme in the world of basketball. Perfect for readers of Jeff Pearlman's *The Bad Guys Won!*, Peter Richmond's *Badasses*, and Pat Williams's *Coach Wooden*, Araton's revealing story of the Knicks' heyday is far more than a review of one of basketball's greatest teams' inspiring story—it is, at heart, a stirring recreation of a time and place when the NBA championships defined the national dream.

Discover the definitive biography of Yogi Berra, the New York Yankees icon, winner of 10 World Series championships, and the most-quoted player in baseball history. Lawrence "Yogi" Berra was never supposed to become a major league ballplayer. That's what his immigrant father told him. That's what Branch Rickey told him, too—right to Berra's face, in fact. Even the lowly St. Louis Browns of his youth said he'd never make it in the big leagues. Yet baseball was his lifeblood. It was the only thing he ever cared about. Heck, it was the only thing he ever thought about. Berra couldn't allow a constant stream of ridicule about his appearance, taunts about his speech, and scorn about his perceived lack of intelligence to keep him

Read Free Driving Mr Yogi Yogi Berra Ron Guidry And Baseballs Greatest Gift

from becoming one of the best to ever play the game—at a position requiring the very skills he was told he did not have. Drawing on more than one hundred interviews and four years of reporting, Jon Pessah delivers a transformational portrait of how Berra handled his hard-earned success—on and off the playing field—as well as his failures; how the man who insisted "I really didn't say everything I said!" nonetheless shaped decades of America's culture; and how Berra's humility and grace redefined what it truly means to be a star. Overshadowed on the field by Joe DiMaggio early in his career and later by a youthful Mickey Mantle, Berra emerges as not only the best loved Yankee but one of the most appealingly simple, innately complex, and universally admired men in all of America.

Long after they have forgotten his 15 All-Star Game appearances, his 10 World Championships, and his three MVP honors, sports fans the world over will remember Yogi Berra's famous phrases—helped in part by this compilation. Berra's hilarious and insightful malaprops have become ingrained in everyday language, and this book has captured the stories and history behind each and every one of them.

Former Yankee Bobby Richardson played alongside Mickey Mantle, Roger Maris, Whitey Ford, Joe Pepitone, and Yogi Berra during one of the most prolific dynasties in baseball history, and he remains to this day the only player from the losing team ever to be named World Series MVP. In *Impact Player*, Bobby shares his life story, including never-before-told tales from the Yankee clubhouse during the historic '55-'65 pennant runs and World Series appearances. The book also features the unlikely friendship Richardson, a devout and outspoken Christian, shared with Yankee legend and renowned drinker and womanizer Mickey Mantle. The perfect combination of faith and baseball, *Impact Player* offers a rare glimpse into one of the most celebrated dynasties in the history of the game, and it paints a fascinating portrait of a life well-lived and the lasting rewards that come from knowing and loving God.

Joe DiMaggio was, at every turn, one man we could look at who made us feel good. In the hard-knuckled thirties, he was the immigrant boy who made it big—and spurred the New York Yankees to a new era of dynasty. He was Broadway Joe, the icon of elegance, the man who wooed and won Marilyn Monroe—the most beautiful girl America could dream up. Joe DiMaggio was a mirror of our best self. And he was also the loneliest hero we ever had. In this groundbreaking biography, Pulitzer Prize-winning journalist Richard Ben Cramer presents a shocking portrait of a complicated, enigmatic life. The story that DiMaggio never wanted told, tells of his grace—and greed; his dignity, pride—and hidden shame. It is a story that sweeps through the twentieth century, bringing to light not just America's national game, but the birth (and the price) of modern national celebrity.

A candid and nostalgic father-son memoir by Dale Berra, providing a unique perspective on his legendary Hall of Fame dad, the inimitable and highly quotable Yogi Berra. Everyone knows Yogi Berra. The American icon was the backbone of the New York Yankees through ten World Series Championships, managed the National League Champion New York Mets in 1973, and had an ingenious way with words that remains an indelible part of our lexicon. But no one knew him like his

Read Free Driving Mr Yogi Yogi Berra Ron Guidry And Baseballs Greatest Gift

family did. My Dad, Yogi is Dale Berra's chronicle of his unshakeable bond with his father, as well as an intimate portrait of one of the great sports figures of the 20th Century. When Yogi wasn't playing or coaching, or otherwise in the public eye, he was home in the New Jersey suburbs, spending time with his beloved wife, Carmen, and his three boys, Larry, Tim, and Dale. Dale presents -- as only a son could -- his family's history, his parents' enduring relationship, and his dad's storied career. Throughout Dale's youth, he had a firsthand look at the Major Leagues, often by his dad's side during Yogi's years as a coach and manager. The Berra's lifelong family friends included Joe DiMaggio, Mickey Mantle, and Whitey Ford. It's no coincidence that all three Berra sons were inspired to play sports constantly, and that all three became professional athletes, following in their dad's footsteps. Dale came up with the Pittsburgh Pirates, contributing to their 1979 championship season and emerging as one of baseball's most talented young players. After three strong seasons, Dale was traded to New York, briefly united with his dad in the Yankee dugout. But there was also an extraordinary challenge developing. Dale was implicated in a major cocaine scandal involving some of the biggest names in the sport, and his promising career was ultimately cut short by his drug problem. Yogi supported his son all along, eventually staging the intervention that would save Dale's life, and draw the entire family even closer. My Dad, Yogi is Dale's tribute to his dad -- a treat for baseball fans and a poignant story for fathers and sons everywhere.
