It's all action in this noisy: busy book of emergency vehicles; full of fire engines, police cars, ambulances, lifeboats, breakdown trucks, rescue ...

A mighty machine-filled fun read! Emergency! Fire engine to the rescue! This noisy, busy story is jam-packed with emergency vehicles. Discover lots of exciting vehicles in the action-packed pages, including fire engines, police cars, ambulances, lifeboats, breakdown trucks and rescue helicopters. With bright, bold artwork, fun rhyming text and lots of great sound words to read aloud, this story is perfect for sharing with machine-mad children.

Simple rhymes introduce such large vehicles as dump trucks, fire engines, and tractors, and describe the work that they do. On board pages.

Boats, trains, cars, and planes; bikes, buses and balloons, soar and race, taking people to faraway places. Bounce, zoom and rattle in this bright, playful book jam-packed with vehicles of all shapes and sizes.

Terrorist attacks. Natural disasters. Domestic crackdowns. Economic collapse. Riots. Wars. Disease. Starvation. What can you do when it all hits the fan? You can learn to be self-sufficient and survive without the system. \*\*I've started to look at the world through apocalypse eyes.\*\* So begins Neil Strauss's harrowing new book: his first full-length worksince the international bestseller The Game, and one of the most original-and provocative- narratives of the year. After the last few years of violence and terror, of ethnic and religious hatred, of tsunamis and hurricanes-and now of world financial meltdown-Strauss, like most of his generation, came to the sobering realization that, even in America, anything can happen. But rather than watch helplessly, he decided to do something about it. And so he spent three years traveling through a country that's lost its sense of safety, equipping himself with the tools necessary to save himself and his loved ones from an uncertain future. With the same quick wit and eye for cultural trends that marked The Game, The Dirt, and How to Make Love Like a Porn Star, Emergency traces Neil's white-knuckled journey through today's heart of darkness, as he sets out to move his life offshore, test his skills in the wild, and remake himself as a gun-toting, plane-flying, government-defying survivor. It's a tale of paranoid fantasies and crippling doubts, of shady lawyers and dangerous cult leaders, of billionaire gun nuts and survivalist superheroes, of weirdos, heroes, and ordinary citizens going off the grid. It's one man's story of a dangerous world-and how to stay alive in it. Before the next disaster strikes, you're going to want to read this book. And you'll want to do everything it suggests. Because tomorrow doesn't come with a guarantee...

Flashing Fire Engines follows the animal crew as they become fire fighters. Climb on board the fire truck, ride along, and learn how to put out fires to save the day! Every page of this chunky board book is full of the kind of detail that machine-mad toddlers love: the fireman's pole, the siren, the long ladder, and much more! From airplanes to fire engines, the internationally bestselling Amazing Machines series is the perfect way for children to learn about all sorts of vehicles! Each book introduces a new vehicle and the many jobs it can do. Bright, engaging artwork and simple, rhyming text combine to make these fantastic books for young children. Kids will love getting to know the friendly, animal characters who feature throughout the series and reading about their fast-paced adventures!

Bold lions roaring, wrinkly elephants mud-wallowing, and stripy zebras fast-galloping are just a few of the wild animals captured in the rollicking rhymes of this enchanting picture book.

There are lots of ways machines can be cool. They can be the biggest, the smallest, the tallest, the longest and even the noisiest. Machine mad kids will love pouring over the details of the ten awesome machines in each book. Fantastic Five stat panels give the scoop on what makes these machines tick and key design features are highlighted to help you earn something new about your favourite diggers, tractors, trucks ad emergency vehicles. Perfect for readers who can't get enough of books about machines, but who have outgrown the simple picture books aimed at a much younger level. Those who are beginning to read by themselves will find the text fun to read and accessible. For children aged 5+

From the creators of the bestselling Dig Dig Digging comes the ultimate book of things that go! This bright and busy picture book is packed with all the vehicles little ones love, from diggers and fire engines to spaceships and underwater robots. Margaret Mayo's lively, rhythmic text is perfect for reading aloud, while Alex Ayliffe's bold and colourful illustrations bring each mega machine to life in glorious detail. With one vehicle for every letter from A to Z, this is an exciting introduction to the alphabet and the perfect picture book for machine-mad little ones.

Turn on the siren and zoom down the streets with some animal paramedics in this cheerful picture book all about ambulances. Lively wordplay, vibrant art, plus a visual dictionary, make this title a must-have for bookshelves everywhere. This book is filled with humorous rhyming text by the award-winning poet Tony Mitton, which perfectly complements Ant Parker's bold, bright illustrations. A picture dictionary identifying ambulance parts builds vocabulary and makes learning about ambulances exciting and fun.

Come on a fantastic adventure to the moon and deep into space! This exciting book is full of amazing astronauts and super space vehicles. Discover a different vehicle on each page, from rockets and moon buggies, to robot rovers, satelllites and more. With bright, bold illustrations and fun, rhyming text, this is perfect for sharing and reading aloud. Little ones will love spotting all the details on each page and joining in with the lively text; as rockets 'zoom' and satelllites 'whizzi' From the creators of the bestselling Dig Dig Digging.
