The Complete Guide to Sports Massage, 3rd edition is a comprehensive, practical handbook. Now with additional photography and the latest techniques, this is a must-have guide for students of sports therapy and anyone wanting a performance advantage. Sports massage is the skilled manipulation of soft tissue for: the relief and treatment of muscle soreness and pain; the maintenance of muscle balance and improved flexibility; and enhanced rehabilitation from injury. Packed with jargon-free information, this fully updated guide includes step-by-step photography and detailed text explaining the principles and techniques of massage; injury management and post-massage care; as well as practical guidance on working at a sports event.

Are you: A woman wanting to return to work after a break? A woman seeking to improve career prospects through education or training? An adviser providing education or training or an employer keen to develop your awareness of the opportunities available to women? If you are any of these you need the Eighth Edition of Returning to Work: a directory of education and training for women. Compiled by the Women Returners Network, this unique directory of education and training for women has been completely revised. It provides information on over 1,700 courses across the UK which offer

opportunities and facilities that enable women returners to participate in, for example: shortened-day timetables to fit in with school hours; hands-on experience with information technology equipment; job-sampling experience; the opportunity to assess abilities, discover new interests, widen horizons and develop confidence; and guidance and counselling sessions. Returning to Work also gives vital information on: how to find out what education and training is available; key national training providers; eligibility for mandatory grants and details of awards and sponsorship schemes; national organizations offering further support for women returning to education or training or employment; and local contact points for further information and advice in county or region.

This 5-hour free course looked at interpreting diagrams, charts and graphs and how to use them to convey information more effectively.

Communicating With Customers emphasizes the communication skills necessary for providing excellent customer service. Communicating effectively to exceed customers' expectations is critical to the success and reputation of companies and their employees. This text

demonstrates the importance of customer service; identify customer needs; communicate effectively with customers in person, over the telephone, or over the Internet; and effectively handle customer complaints. Multimedia components enhance the impact of the workshops so users can complete a variety of exercises on the computer, watch video footage of people effectively communicating on the job, and use the Internet to conduct further research. Learner's guide (required) contains 10 workshops highlighting key workplace communication topics, special features, appropriate literature selections, Internet connections and project-based exercises.

This workbook covers the generic and specialist units needed for the Patisserie and Confectionery NVQ / SVQ Level 3 qualification. Underpinning knowledge is fully covered and tested and material from pastry chef John Huberd is included.
