The engine on the Sport 50 is actually  
a tad quieter than the Vino 50, go  
figure: the stock mufflers seems to be  
louder on the Vino than the stock  
Sport 50s one, however the Valves  
make more noise on the Sport 50.  
Overall: Vino engine still louder. These  
scooters are so quiet you can actually  
have a conversation at 30mph without  
screaming.
