“ An Actor Prepares ” is a 1936 guide to acting by Konstantin Stanislavski. Konstantin Sergeievich Stanislavski (1863 — 1938) was an influential Russian theatre practitioner. He was himself a highly-esteemed character actor and directed many successful productions. However, he is most famous for his 'system' of learning to act, focusing on training, preparation, and technique. This was the first of Stanislavski's book on acting. Concentrating on preparation, it offers the aspiring actor or actress tips and instructions on how they should prepare for performances. This seminal volume constitutes a must-have for all with an interest in acting and the work of Stanislavski. Contents include: “ The First Test ” , “ When Acting Is An Art ” , “ Action ” , “ Imagination ” , “ Concentration ” , “ Of Attention ” , “ Relaxation Of Muscles ” , “ Units And Objectives ” , “ Faith And A Sense Of Truth ” , “ Emotion Memory ” , “ Communion ” , “ Adaptation ” , “ Inner Motive Forces ” , “ The Unbroken Line ” , “ The Inner Creative ” , “ State ” , etc. Many vintage books such as this are increasingly scarce and expensive. It is with this in mind that we are republishing this volume now in an affordable, modern, high-quality edition complete with a specially-commissioned new biography of the author.

An introduction to the backstage work done in the theater uses examples from Disney musicals to show the jobs done by the cast and crew for every aspect of the show, from the playwright and set manager to the director, conductor, and actors.

THE STORY: The Acting Edition contains notes showing how nearly all scene changes may be made with a minimum of effort. People are inclined to laugh at Joe, a moody young Italian with cockeyed notions. At heart a musician--he has a real talent for

Fame, the hugely popular 1980 musical film inspired by New York ' s High School of the Performing Arts, was adapted as a weekly NBC television series in 1982. Though cancelled by the network after two seasons, the TV version of Fame rose from the ashes to enjoy a long and successful run in syndication. Among the series ' cast members were such gifted performers as Debbie Allen and Janet Jackson. For five of the six years that Fame flourished on television, Michael A. Hoey was closely involved in the series ' production. He has written a compelling behind-the-scenes history of the filming of the hit series, incorporating interviews with a number of the creative principals as well as recounting his own experiences.

Have a rockin' time introducing children to Footloose, rewritten for children by the one and only Kenny Loggins himself. Time to cut loose! Have a rockin' time introducing children to the fun of Footloose, rewritten for children by the one and only Kenny Loggins. As a zookeeper named Jack joins the zoo animals in an all-night dance party, this new original story from Loggins is sure to get your feet moving. Little ones will love the cast of characters, including the rockin' chimp Louise ("Geez, Louise"), Mister DJ Elephant, the lemur Marie ("Oo Wee, Marie"), Milo the wombat, Luke the funkiest cat in the zoo, and so many more rocking, bopping, boogeying, tangoing, shaking, rattling and rolling animals!

Through biographies of China's most colorful and famous personalities, John Wills displays the five-thousand-year sweep of Chinese history from the legendary sage emperors to the tragedy of Tiananmen Square. This unique introduction to Chinese history and culture uses more than twenty exemplary lives--biographies of China's most colorful and famous personalities--including those of statesmen, philosophers, poets, and rulers, to provide the focus for accounts of key historical trends and periods. What emerges is a provocative rendering of China's moral landscape, featuring characters who have resonated in the historical imagination as examples of villainy, heroism, wisdom, spiritual vision, political guile, and complex combinations of all of these. Investigating both the legends and the facts surrounding these figures, Wills reveals the intense interest of the Chinese in the brilliance and in the frail complexities of their heroes. Included, for instance, is a description of the frustrations and anxieties of Confucius, who emerges as a vulnerable human being trying to restore the world to the virtue and order of the sage kings. Wills recounts and questions the wonderfully shocking stories about the seventh-century Empress Wu, an astute ruler and shaper of an increasingly centralized monarchy, who has since assumed a prominent position in the Chinese tradition's rich gallery of bad examples--because she was a woman meddling in politics. The portrayal of Mao Zedong, which touches upon this leader's earthy personality and his reckless political visions, demonstrates the tendency of the Chinese not to divorce ideology from its human context: Maoism for them is a form of "objective" Marxism, inseparable from one man's life and leadership. Each of the twenty chapters provides a many-sided exploration of a "slice" of Chinese history, engaging the general reader in a deep and personal encounter with China

over the centuries and today. The biographies repeatedly mirror the moral earnestness of the Chinese, the great value they place on the ruler-minister relationship, and their struggles with tensions among practicality, moral idealism, and personal authenticity. Culminating in a reflection on China's historical direction in the aftermath of Tiananmen Square, the biographies show the modern Chinese still inspired and frustrated by a complex heritage of moral fervor and political habits and preconceptions. As absorbing as it is wide ranging, this history is written for the general public curious about China and for the student beginning to study its rich cultural heritage. This new edition highlights important figures that have emerged in China since the book's initial publication and provides updated suggestions for further reading.
