Bad Boys II. No one goes to a movie directed by Michael Bay for delicacy and grace; you go because Michael Bay (Armageddon, The Rock) knows how to make your bones rattle during a high-speed chase when a car flips over, spins through the air, and smacks another car with a visceral crunch. Bad Boys II fulfills this expectation and then some.

From USA Today bestselling author Meghan Quinn comes a forbidden romance about an Irish rebel who falls in love with the wrong girl. Dear Diary, I might have gotten myself into a wee bit of trouble-and I'm not talking about the "court mandated community service," or "therapy sessions from bashing a bloke in the head" kind of trouble. I wish it were that simple. Nope. I'm talking about the "falling in love with one of my client's daughters," kind of trouble . . . The kind of problem I can't talk my way out of when the truth gets out. How I ended up with her phone is a long story-and when she called to get it back, I took things a bit too far. One innocent exchange wound up leading to so much more. Fun, new, and totally immune to my charm, Sutton is different. And I had no idea she was the daughter of Foster Green. Blame it on the dark colored stout running through my veins, pushing me toward one bad decision after another. Pushing me toward her even though I know right from wrong; even though she's my client's daughter. Dating her might be the best or worst decision I've ever made. Only time, whiskey, and one more roll around the mattress with her will tell. Roark

This is book 2 of the Black Knights MC trilogy. Book 3 is available everywhere now! There's nothing like an outlaw to make a good girl go bad. Kristel wanted to ride on the wild side. But then I got her pregnant. Now, the baby in her belly might start a war between cops and bikers. And she'll have to choose where her true loyalties lie. KRISTEL This is spinning out of control. I needed to taste some freedom. I thought hanging around the Black Knights MC would be fun. But I never expected to fall hard for their leader. Andre is nothing like the boys I'm used to. He's ripped and tattooed from head to toe. And his voice alone is enough to send the best kind of shivers racing down my spine. I want his touch. I crave his kiss. But I might get more than I bargained for. Because Andre doesn't do things halfway. He won't stop with just one moment, just one night with me. He wants me over, and over, and over again. And his kind of sin is as rough as it gets. ANDRE I allowed her in so she could be a pretty distraction. Normally, civilian girls in the clubhouse is a bad idea. They don't know how to keep their mouth shut and their legs open. But I make an exception for Kristel. She's got something I like: An innocence I want to destroy. But giving in to my temptation might turn out to be the disaster that blows everything to pieces. Because our sins come with consequences: Like, for

They want to hurt me for what I did to their chief's precious little girl. Well, f**k it. Let them come. Kristel belongs to me now. And I'll do whatever it takes to protect what's mine.
