Cambridge IGCSE and O Level Geography has been written specifically for Cambridge International syllabuses 0460 and 2217. From tourism in Kenya to the summit of an active volcano in Japan, this revision guide helps students understand the processes that affect physical and human environments on a local, regional and global scale. The narrative style of the revision guide, with detailed explanations, complements the range of activities in the coursebook and reinforces understanding. Exam-style questions, international case studies and example maps give students practice with course content and skills in preparation for assessment. Sample answers to all the questions are in the back of the book.

- critical notes to exam concepts
- enable accurate, complete and independent self education
- holistic question answering techniques
- quickly preparation before taking the actual exams
- complete edition and concise edition eBooks available

Send students into their exam with the confidence to achieve their maximum potential using step-by-step guidance that helps to practise skills learned and improve exam technique. - Avoid common misconceptions with frequent mistakes highlighted throughout - Build students' skills constructing and writing answers with a range of practice and exam-style questions - Easily identify areas for improvement with the answers in the back of the book - Help students target their revision and focus on important concepts and skills with key objectives at the beginning of every chapter - Ensure that students maximise their time in the exam with examiner's tips and suggestions on how to approach questions - Contextualise knowledge with authentic case studies This Study and Revision Guide has been updated for the latest syllabus for examination from 2020. An investigative approach to Cambridge IGCSE Geography, written in partnership with the Geographical Association. Encourage students to make links between case studies and their own local contexts as well as exploring the core themes and skills of the 0460 syllabus in the context of global case studies and processes. Prepare for exam success with full coverage of the core themes of Paper 1 (Population and Settlement, The Natural Environment, Economic Development and the Use of Resources) as well as the geographical and fieldwork skills elements of Papers 2, 3 and 4. Help students focus on achieving the best grades with excellent exam support for each Paper, with exam-style questions, answers at different levels and accompanying comments. Be confident in the content and approach - this resource is written by highly experienced Geography teachers, consulted edited by a CIE Principal Examiner, and produced in partnership with the UK Geographical Association - the home of best practice in Geography teaching.

How do you survive your best friend ' s suicide? Alyessa jumps to her death two days after her 16th birthday. Her best friend Lee-Ann blames the tragedy on her failure to answer Aly ' s last phone call. Haunted by what-ifs, stressed out by the looming ' O ' Levels, and troubled by fraught relationships with her parents and on-off boyfriend Nate, Lee-Ann begins to contemplate suicide too. In Lee-Ann ' s searingly honest diary entries, she exposes the wound of having a loved one gone too soon. This true account of a teenager ' s journey reveals anger and despair at its most raw, and eventually hope as she begins the slow and painful recovery to live again.

Fifth in a series of annual reports to measure progress toward the National Education Goals through the year 2000. Includes comprehensive sets of measures to describe progress at the national level. Takes an in depth look at each goal and reports on the progress made in a clear precise manner incorporating graphs and charts.
