Cesar Chavez is known as one of America's greatest civil rights leaders. When he led a 340-mile peaceful protest march through California, he ignited a cause and improved the lives of thousands of migrant farmworkers. But Cesar wasn't always a leader. As a boy, he was shy and teased at school. His family slaved in the fields for barely enough money to survive. Cesar knew things had to change, and he thought that--maybe--he could help change them. So he took charge. He spoke up. And an entire country listened. An author's note provides historical context for the story of Cesar Chavez's life.

A biography of Cesar Chavez, from age ten when he and his family lived happily on their Arizona ranch, to age thirty-eight when he led a peaceful protest against California migrant workers' miserable working conditions.

Presents a portrait of the personal life and career as a labor leader of Cesar Chavez, who helped to organize the mostly Mexican American migrant farm workers and led the struggle for social justice of the United Farm Workers.

¡Viva la causa! ¡Viva César Chávez! Up and down the San Joaquin Valley of California, and across the country, people chanted these words. Cesar Chavez, a migrant worker himself, was helping Mexican Americans work together for better wages, for better working conditions, for better lives. No one thought they could win against the rich and powerful growers. But Cesar was out to prove them wrong -- and that he did.

Every day, thousands of farmworkers harvested the food that ended up on kitchen tables all over the country. But at the end of the day, when the workers sat down to eat, there were only beans on their own tables. Then Dolores Huerta and Cesar Chavez teamed up. Together they motivated the workers to fight for their rights and, in the process, changed history. Award-winning author Monica Brown and acclaimed illustrator Joe Cepeda join together to create this stunning tribute to two of the most influential people of the twentieth century. Todos los días, miles de campesinos cosechaban los alimentos que se servían en los hogares de todo el país. Pero al terminar la jornada, cuando los campesinos se sentaban a comer, lo Único que había en sus propias mesas era frijoles. Entonces, Dolores Huerta y César Chávez se unieron para motivar a los trabajadores a luchar por sus derechos y en el proceso, cambiaron el curso de la historia. La premiada autora Monica Brown y el aclamado ilustrador Joe Cepeda se unen para crear Este impresionante tributo a dos de las personas más influyentes del siglo veinte.

Yoomi loves Grandma's cooking--except for stinky, spicy kimchi, the pickled cabbage condiment served at Korean meals. "You can't eat it because you're a baby," her brothers tease. And they don't play with babies. Determined to prove she's not a baby, Yoomi tries to find a way to make kimchi taste better--but not even ice cream can help. Luckily, Grandma has a good idea, and soon everyone has a new food to enjoy. Celebrating family, food, and growing up, this story about a Korean-American family will appeal to picky eaters and budding foodies alike. Aram Kim's lively art is filled with expressive characters and meticulous details--and of course, mouth-watering illustrations of traditional Korean dishes and ingredients. Backmatter includes information about kimchi and how it's made, and best of all, a recipe for Grandma's kimchi pancakes to try yourself!
