On its surface, Heir to a Dream is a book about Pistol
Pete and his legacy as one of basketball's greatest
players. At its core, however, it is Peter Marovich's
confession of the personal struggles he constantly
dealt with off the court: his mother's drinking problem
that eventually led her to suicide, depression caused
by his self-conditioned belief that losing a game was
unacceptable, the hordes of rabid fans, and the
irresponsibility with which he treated his fortune, just
to name a few.~~

(From Heir to a Dream) "I fervently believed that an athlete, or any young person in general, should have his long-range goals in life planned by the eighth or ninth grade. Though few children considered the next month in advance, I constantly challenged the students in my basketball clinics to start making plans for their futures and stop wasting time.

ditch your friends and strike out on your own. If your slumber involves scenes of a quarry, double down on your hard work to make your goals a reality. In a world beyond time, the Palindrake family rules the rocky kingdom of Caradore, their right ordained by their allegiance to the power of the sea. But war came to them, and defeat at the hands of the king of Fire. For generations the Palindrake Lords served the god of Fire. But now, five lifetimes later, the Palindrake heir, Vlraven V, has a twin sister, a woman who embodies their inheritance of power in a way that no wife ever could. The tidal power in their blood draws them to each other, into a forbidden passion that cold sweep away the bonds of fire placed upon the oceanic magic of the sea, and free Caradore from its long imprisonment.
