A bodyguard, a beauty, and a bet. "I'm hiring you to do more than guard her, Zander," my new boss explained. "You're gonna be her rock. Her human Valium. Her trusted friend. And she's gonna be your mission from God." "So I'm her babysitter?" "Her babysitter, her bodyguard, her f*cking service doggie.

Whatever she needs or wants, that's what you'll be. Anything except her booty call." The vein in my new boss's neck bulged. "Touch her and I'll do more than fire your ass, Zander. I'll rip off your balls." My buddies laughed when I told them about my ridiculous new job. They said, "Three months on a tour with a world famous beauty, glued to her hip, catering to her every whim? A hundred bucks says you're gonna break down and bang her within the first month." But I said nope. No way. Never. "I'm a professional," I said. "Plus, she's not even my type. And I'm just getting over a broken heart. It's never gonna happen." So I put my money where my mouth was, figuring I'd laugh all the way to the bank. I never thought I'd actually fall in love with the girl. Or that she'd become my reason for breathing. The job, the bet, the girl. It was nothing but fun and games . . . until it became dead serious. MISTER BODYGUARD is a standalone, friends to lovers contemporary romance in the MORGAN BROTHERS SERIES from USA Today Bestselling Author Lauren Rowe. The story of Zander Shaw--Keane Morgan's devoted best friend who is an honorary Morgan Brother--and the pop star who brings him to his knees.

"A breathtaking new epic fantasy series. Morgan Rice does it again! This magical saga reminds me of the best of J.K. Rowling, George R.R. Martin, Rick Riordan, Christopher Paolini and J.R.R. Tolkien. I couldn't put it down!" --Allegra Skye, Bestselling author of SAVED From #1 Bestselling author Morgan Rice comes the debut of a dazzling new fantasy series. A QUEST OF HEROES (BOOK #1 IN THE SORCERER'S RING) revolves around the epic coming of age story of one special boy, a 14 year old from a small village on the outskirts of the Kingdom of the Ring. The youngest of four, the least favorite of his father, hated by his brothers, Thorgrin senses he is different from the others. He dreams of becoming a great warrior, of joining the King's men and protecting the Ring from the hordes of

creatures on the other side of the Canyon. When he comes of age and is forbidden by his father to try out for the King's Legion, he refuses to take no for an answer: he journeys out on his own, determined to force his way into King's Court and be taken seriously. But King's Court is rife with its own family dramas, power struggles, ambitions, jealousy, violence and betrayal. King MacGil must choose an heir from amongst his children, and the ancient Dynasty Sword, the source of all their power, still sits untouched, waiting for the chosen one to arrive. Thorgrin arrives as an outsider and battles to be accepted, and to join the King's Legion. Thorgrin comes to learn he has mysterious powers he does not understand, that he has a special gift, and a special destiny. Against all odds he falls in love with the king's daughter, and as their forbidden relationship blossoms, he discovers he has powerful rivals. As he struggles to make sense of his powers, the king's sorcerer takes him under his wing and tells him of a mother he never knew, in a land far away, beyond the Canyon, beyond even the land of the Dragons. Before Thorgrin can venture out and become the warrior he yearns to be, he must complete his training. But this may be cut short, as he finds himself propelled into the center of royal plots and counterplots, ones that may threaten his love and bring him down—and the entire kingdom with him. With its sophisticated world-building and characterization, *A QUEST OF HEROES* is an epic tale of friends and lovers, of rivals and suitors, of knights and dragons, of intrigues and political machinations, of coming of age, of broken hearts, of deception, ambition and betrayal. It is a tale of honor and courage, of fate and destiny, of sorcery. It is a fantasy that brings us into a world we will never forget, and which will appeal to all ages and genders. It is 82,000 words. Book #2 in the series, *A MARCH OF KINGS*, is now available, too. "Grabbed my attention from the beginning and did not let go....This story is an amazing adventure that is fast paced and action packed from the very beginning. There is not a dull moment to be found." --Paranormal Romance Guild {regarding Turned} "Jam packed with action, romance,

From, Lauren Rowe, the USA Today and International bestselling author of The Club Series and Ball Peen Hammer comes a sexy standalone romance: Captain. It wasn't the way this kind of story was supposed to go . . . Insta-love isn't supposed to turn into insta-hate. But that's exactly what happened when the hot-as-hell dreamboat I met in a bar turned out to be a lying, cheating scumbag-player-douche looking for nothing but a little side action. Jerk. And he has the nerve to call me a liar and a "sociopath"? Assh*le. And now, three months later, through a mind-blowing series of events I couldn't have predicted in a million years, it turns out my boss is marrying his sister in Hawaii and I've got to play nice with him for an entire freaking week. Okay, sure, I'll put on a happy face this week and act like I've never even met the jerk before--did I mention his sister is marrying my boss?--but that doesn't mean I'll like it. And it certainly doesn't mean I'll stop secretly hating the cocky bastard's guts. Because I do. I hate him. I really do. I just wish my brain would explain the situation to my body . . . because every time he flashes that panty-melting smile at me, it takes all my self-restraint not to jump the bastard's hot-as-f*ck bones. *For fans of Ball Peen Hammer and The Club Series, please note Captain features Ryan Morgan and takes place one year before the events of Ball Peen Hammer. It also includes characters from both Ball Peen Hammer and The Club Series, though Captain is a complete standalone with no prior reading is required.
