A History of Japan (Blackwell History of the World) eBook ...

This authoritative and accessible book charts the history of Japan from c. 8000 BC to the present. Conrad Totman conceptualizes the country's history in terms of four major ages: the age of foragers, dispersed agriculturalists, intensive agriculture, and industrialism.

A History of Japan : Conrad D Totman - Blackwell's

The section on Japan's first interaction with the West is fascinating and this book does not focus too heavily on the World Wars as some books can, but it gives a solid understanding of the history leading up to the wars. This book is an essential read for any serious history or Japan enthusiast.

History Of Japan - (Blackwell History Of The World) By ...

The earliest written work of history to mention Japan, the Book of Han completed around 82 AD, states

that Japan, referred to as Wa, was divided into one hundred kingdoms. A later Chinese work of history, the Wei Zhi, states that by 240 AD, one powerful kingdom had gained ascendancy over the others.

History of Japan - Wikipedia

Site visitors are encouraged to suggest comments, events, corrections etc. to supplement the content of this, fairly meagre, school history. 'Blackwell' was a mixed, County Secondary school, based in Headstone Lane, Harrow. The name was retained from its inauguration in January 1950, until its demise in July 1974.

An authoritative overview of current debates and approaches within the study of Japan's history Composed of 30 chapters written by an international group of scholars Combines traditional perspectives with the most recent scholarly concerns Supplements a chronological survey with targeted thematic analyses.

A Cultural History of Japanese Buddhism offers a comprehensive, nuanced, and chronological account of the evolution of Buddhist religion in Japan from the sixth century to the present day. Traces each period of Japanese history to reveal the complex and often controversial histories of Japanese Buddhists and their unfolding narratives Examines relevant social, political, and transcultural contexts, and places an emphasis on Japanese Buddhist discourses and material culture Addresses the increasing competition between Buddhist, Shinto, and Neo-Confucian world-views through to the mid-nineteenth century Informed by the most recent research, including the latest Japanese and Western scholarship

Illustrates the richness and complexity of Japanese Buddhism as a lived religion, offering readers a glimpse into the development of this complex and often misunderstood tradition

This accessible guide to the development of Japan's indigenous religion from ancient times to the present day offers an illuminating introduction to the myths, sites and rituals of kami worship, and their role in Shinto's enduring religious identity. Offers a unique new approach to Shinto history that combines critical analysis with original research Examines key evolutionary moments in the long history of Shinto, including the Meiji Revolution of 1868, and provides the first critical history in English or Japanese of the Ise shrine, one of the most important in all Japan Traces the development of various shrines, myths, and rituals through history as uniquely diverse phenomena, exploring how and when they merged into the modern notion of Shinto that exists in Japan today Challenges the historic stereotype of Shinto as the unchanging, all-defining core of Japanese culture

From the early Sumerian clay tablet through to the emergence of the electronic text, this Companion provides a continuous and coherent account of the history of the book. Makes use of illustrative examples and case studies of well-known texts Written by a group of expert contributors Covers topical debates, such as the nature of censorship and the future of the book

Contemporary Japan: History, Politics and Social Change since the 1980s presents a comprehensive examination of the causes of the Japanese economic bubble in the late 1980s and the socio-political consequences of the recent financial collapse. Represents the only book to examine in depth the turmoil of Japan since Emperor Hirohito died in 1989, the Cold War ended, and the economy collapsed Provides an assessment of Japan's dramatic political revolution of 2009 Analyzes how risk has increased in Japan, undermining the sense of security and causing greater disparities in society Assesses Japan's record on the environment, the consequences of neo-liberal reforms, immigration policies, the aging society, the US alliance, the Imperial family, and the 'yakuza' criminal gangs

This authoritative and accessible book charts the history of Japan from c.8000 bc to the 1990s.

A History of Southeast Asia: Critical Crossroads presents a comprehensive history of Southeast Asia from our earliest knowledge of its civilizations and religious patterns up to the present day. Incorporates environmental, social, economic, and gender issues to tell a multi-dimensional story of Southeast Asian history from earliest times to the present Argues that while the region remains a highly diverse mix of religions, ethnicities, and political systems, it demands more attention for how it manages such diversity while being receptive to new ideas and technologies Demonstrates how Southeast Asia can offer alternatives to state-centric models of history more broadly 2016 PROSE Award Honorable Mention for Textbook in the Humanities

The renowned Japanese scholar "brings us as close to the inner life of the Meiji emperor as we are ever likely to get" (The New York Times Book Review). When Emperor Meiji began his rule in 1867, Japan was a splintered empire dominated by the shogun and the daimyos, cut off from the outside world, staunchly antiforeign, and committed to the traditions of the past. Before long, the shogun surrendered to the emperor, a new constitution was adopted, and Japan emerged as a modern, industrialized state. Despite the length of his reign, little has been written about the strangely obscured figure of Meiji himself, the first emperor ever to meet a European. But now, Donald Keene sifts the available evidence to present a rich portrait not only of Meiji but also of rapid and sometimes violent change during this pivotal period in Japan's history. In this vivid and engrossing biography, we move with the emperor through his early, traditional education; join in the formal processions that acquainted the young emperor with his country and its people; observe his behavior in court, his marriage, and his relationships with various consorts; and follow his maturation into a "Confucian" sovereign dedicated to simplicity, frugality, and hard work. Later, during Japan's wars with China and Russia, we witness Meiji's struggle to reconcile his personal commitment to peace and his nation's increasingly militarized experience of modernization. Emperor of Japan conveys in sparkling prose the complexity of the man and offers an unrivaled portrait of Japan in a period of unique interest. "Utterly brilliant . . . the best history in English of the emergence of modern Japan."—Los Angeles Times

"This companion presents new critical views on crucial aspects of the large and varied field of Asian art and architectural history. The essays collected here provide scholars and the public with an opportunity to engage with the field in all its diversity - from coinage to monastic spaces to imperial commissions and beyond. Regions and topics covered include Korea, Japan, China, several regions of Southeast Asia, South Asia, global and colonial interactions, as well as art and architecture in the UK and UK diasporas"--
