One of the most respected texts in the field, *The Social Work Interview* is the standard guide for students and professionals, providing practical strategies for interviewing a wide range of clients in both routine and exceptional situations.

For twenty-five years, *The Social Work Interview* has been the textbook of choice in social work and other human service courses, as well as an essential professional resource for practitioners. This new edition, the first in seven years, is thoroughly updated-revised, expanded, and reorganized for more thorough coverage and for more effective teaching and learning. New to this edition: Thoroughly reorganized chapters and sections for greater coherence and clarity More extensive literature review Greater emphasis on the process of communication and its role in interviewing New or greatly expanded coverage of interviewing short-term, involuntary, and other special clients Expanded coverage of techniques for bridging racial and ethnic differences Greater coverage of interviewer/interviewee differences related to class, race, and gender Chapter-end summaries throughout.

This handbook is the definitive, comprehensive reference for long-term care administration. It provides new ideas, proven approaches, & practical suggestions for every aspect of long-term care facility management. Each chapter contains a collection of specialized, advanced expertise presented by long-term care administrators, consultants, academics, planners, attorneys, architects, & nurses.

The Enhanced Edition demonstrates how there are common elements, core processes, and skills across all stages of helping and throughout work with all populations--including individuals, families, groups, and communities. It defines, illustrates, and teaches helping skills and provides manageable models for understanding them. It also looks at the underlying process and its associated set of core skills. Part of the EMPOWERMENT SERIES, *THE SKILLS OF HELPING INDIVIDUALS, FAMILIES, GROUPS, AND COMMUNITIES, ENHANCED*, 8th Edition, integrates the core competencies and practice behaviors outlined in the current Educational Policy and Accreditation Standards (EPAS) set by the Council on Social Work Education (CSWE). Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

For the first time, a book exists that compiles all the information candidates need to apply for their first Hospital social workers job, or to apply for a better job. What you'll find especially helpful are the worksheets. It is so much easier to write about a work experience using these outlines. It ensures that the narrative will follow a logical structure and reminds you not to leave out the most important points. With this book, you'll be able to revise your application into a much stronger document, be much better prepared and a step ahead for the next opportunity. The book comes filled with useful cheat sheets. It helps you get your career organized in a tidy, presentable fashion. It also will inspire you to

produce some attention-grabbing cover letters that convey your skills persuasively and attractively in your application packets. After studying it, too, you'll be prepared for interviews, or you will be after you conducted the practice sessions where someone sits and asks you potential questions. It makes you think on your feet! This book makes a world of difference in helping you stay away from vague and long-winded answers and you will be finally able to connect with prospective employers, including the one that will actually hire you. This book successfully challenges conventional job search wisdom and doesn't load you with useful but obvious suggestions ('don't forget to wear a nice suit to your interview, ' for example). Instead, it deliberately challenges conventional job search wisdom, and in so doing, offers radical but inspired suggestions for success. Think that 'companies approach hiring with common sense, logic, and good business acumen and consistency?' Think that 'the most qualified candidate gets the job?' Think again! Time and again it is proven that finding a job is a highly subjective business filled with innumerable variables. The triumphant jobseeker is the one who not only recognizes these inconsistencies and but also uses them to his advantage. Not sure how to do this? Don't worry-How to Land a Top-Paying Hospital social workers Job guides the way. Highly recommended to any harried Hospital social workers jobseeker, whether you want to work for the government or a company. You'll plan on using it again in your efforts to move up in the world for an even better position down the road. This book offers excellent, insightful advice for everyone from entry-level to senior professionals. None of the other such career guides compare with this one. It stands out because it: 1) explains how the people doing the hiring think, so that you can win them over on paper and then in your interview; 2) has an engaging, reader-friendly style; 3) explains every step of the job-hunting process - from little-known ways for finding openings to getting ahead on the job. This book covers everything. Whether you are trying to get your first Hospital social workers Job or move up in the system, get this book.
