unravels and exposes truths about her family that should have remained deep under the mountain, Keahilani must either resist the call of her blood or risk losing everything to its darkness. When Keahilani's family is threatened, the only cure for her hot-blooded fury is a loaded clip with a body bag chaser. Book 1 in Kendall Grey's 'OHANA paranormal thriller series

As the toughest son with the fewest morals, Man? Alana promised his mother that he'd protect his siblings. Since her death, he's embraced his role as the family heavy, but killing is the one part of his job he hates. And the awful nightmares driving him to commit violence aren't doing him any favors—nor is the sinister, ancient magic calling to him from under the slopes of a dormant volcano. A shakeup in power between rival drug lords reveals a half brother Man? didn't know he had, complicating the Alana family's plans to take over the marijuana trade on Maui. Not only that, but one wrong move could turn the sexy cop he's involved with against the family. When a crime the Alanas fought hard to bury is exposed, their whole cartel is in danger. Now Man?'s blood has him trapped between two clans: the siblings he's loved since they were kids, and the ruthless, shadowy kin he just learned he has. Man? can either succumb to the darkness threatening to drag him under or tap in to its power and embrace his role as a cold-blooded killer. Book 2 in Kendall Grey's 'OHANA paranormal thriller series "Kendall Grey reminded me why I love paranormal so much! The characters, the world-building, the plot—everything about COLD-BLOODED drew me in from the first page and kept me on the edge of my seat right up until that final, gasp-inducing sentence. Five stars aren't enough for this book!" —Emily Snow, New York Times and USA Today bestselling author

Book 1 in Kendall Grey's "Just Breathe" paranormal romance series. Marine biologist Dr. Zoe Morgan is working her dream job: director of a whale tagging research project. She's in her dream location: the beautiful beaches of Australia. But her sleep is plagued by nightmares—fiery hellscapes, hideous monsters, strange people ... and the gorgeous man who rescues her from them. He might be a figment of her imagination, but he sure feels real. What Zoe doesn't know is that he's not a fantasy. He's a Sentinel charged with protecting humans from Fire Elementals, using his own blend of elemental magic. In the Dreaming, anyway. In the real world, he's Gavin Cassidy, a sexy rock star who indulges in all the excesses that money and fame can buy. Gavin hasn't been summoned to help anyone since his partner's death, and he likes it that way—until he meets Zoe in her dreams. With Zoe, it's impossible to stay detached, impossible to say no. But Dr. Morgan is more than just his muse—she's the key to restoring order in the Dreaming. Gavin never believed he could fall for someone like Zoe, nor does he realize he may have to sacrifice the woman he loves to save his country." [I] enjoyed this steamy paranormal fantasy romance! All's fair in love and war ... And this is war Family is just the worst. We've all got that one cousin who's a raging turdhammer. My family thinks it's me: Loki, God of Mischief Extraordinaire. But it's not. It's not even Thor, hammer references aside. It's Odin, the AllDick. Listen, I'm not mad that I woke up in a woman's body after the apocalypse. These things happen. The problem is, Odin stole my runes. You know, the ones that keep me smart, charming, and oh yeah, immortal. With the AllDick cockblocking my every move, a frenemy chicken interfering in my biz, and the strange, delicious feelings this new body has for the knight-in-modern armor who keeps coming to my rescue, I'll need every weapon in my war chest (which is bodaciously big-gods, how do you ladies sleep on these things?) if I'm going to survive. Although, I've never been one for the bare minimum. Why only survive when I can thrive? If Odin thought Ragnarok was bad, he's in for the ride of his afterlife when he gets a load of the new me. Book 1 in the Hard Rock Harlots Series WARNING: STRINGS is not suitable for slut shamers, uptight stone throwers, Holier-Than-Thou prudes, humorless virgins, persons with chronic neck or back pain, pearl-clutching bitties, those who disparage crude humor or vulgarity in their many forms, closed-minded people with sticks up their asses, or anyone under the age of 18. The vile, base language and shocking, unholy sexual acts contained herein are not condoned by anyone with a lick of sense and should certainly not be reproduced without proper training and protection. The potty-mouthed and perpetually horny "heroine" (the term is used loosely) of this book does not resemble a normal, well-adjusted, or remotely believable person in any way, shape, or form. The author acknowledges that the characters in this book are shallow and two-dimensional; the plot is both ridiculous and insipid. She makes no apologies for any of it. \* Readers are strongly advised to wear latex gloves whilst reading to minimize contamination risks. Free-spirited musician Letty Dillinger adheres to a strict, "no strings attached" policy when it comes to men. After a wild night of unabashed sex in a fancy hotel room, she never expects to see the adventurous stud she dubs "Shades" again. When her all-girl rock trio books a tour at the last minute as the opening act for their archenemies, Letty's shocked to discover she knows the competition's new lead

New York Times bestselling author Meghan March continues the story of untold truths and one man's redemption in the Dirty Mafia Duet. I never expected to be anyone's white knight. That's not a role I've ever played. But when the Casso crime family shifts into uncharted territory, they're looking for a new hero, and they're looking for me—Cannon Freeman, the black sheep. But my time in disgrace is at an end. It's my turn to rise up and save the people who matter most to me. Even if my family has never given a damn about me, I will not let them fall. More than anything, I will not let her fall. White Knight is the second book in the Dirty Mafia Duet and should be read after Black Sheep.

Book 3 in the Hard Rock Harlots series "NOCTURNES contains 511 F-bombs, 81 well-endowed male chickens, 65 girl kitties, 58 Richard the Lessers, 10 C-U-Next-Tuesdays, and a plethora of other colorful words and phrases that would deafen your virginal mother's ears and make her bust out her "Shame on you " finger. If you've been tuned in since the beginning of the Hard Rock Harlots series, you know the drill. The sex is extreme, the language is graphic, and the story is over the top. Prudes and under 18s need not apply." WARNING: " NOCTURNES addresses serious topics such as alcoholism, prostitution, and cheating. If you're looking for a barrel of laughs or sunshine and rainbows, this is NOT the book for you." Rax Wrathbone is the dirty rock star you love to hate. No, groupies and liquor are far finer company than relationships, and they don't leave bruises after they've had their way with you. At least not lasting ones. Rax's new adventures as an alcoholic, guitar-slashing one-man show are going along swimmingly until the only woman who's ever brought him to his knees shimmies down a pole back into his
