Mark Henderson places beautiful, unattainable men in a domestic ambience, in his photographic collection HOUSEHOLD IDOLS. Bedrooms, kitchens and gardens become backdrops to their beauty - the mundane making them seem suddenly touchable. These are photos with luscious colour and harsh contrasts, enhancing the immediacy of the pictures.

In 2008, Mark Henderson created

a very successful and impressive debut with his opulent coffee-table book *Household Idols* (Bruno Gmunder Verlag - available from Turnaround). In this new collection, he abstains from gaudiness to focus on a reduced, urbane ambiance. Unchanged, however, are the unbelievably good-looking models he chooses. Eye-catching effects and heavenly men compete for the attention of readers. In the end, the art of erotic photography wins out.

This compilation combines the qualities of Mark Henderson's bestsellers in a manner never seen before: The sculptural grace of *Luminosity* with the briskness of *Poolside* and the gleaming light of *Suburban Pleasures*. Mark

Jeff Palmer's sensitive pictures combine the emotional and sensual quality of an erotic moment with the powerful strength of the male body. Temptation is the second volume of photographs by south californian photographer Jeff Palmer, another treasure trove of classic male photography.

The name tells it all: "Color Explosion" is the newest photobook by Mark Henderson, featuring beautiful images of attractive male models with large swaths of bright, jewel-like colors. Every photograph is a mini-essay

in color harmonies and has been carefully placed. A stunning adventure in the world of male erotic photography!

Howard Roffmann, one of Bruno Gmunder's longest-running and most popular photographers, obviously can't live without photographing the Slovakian hunks of Bel Ami! Just like last year's Private Moments (Bruno Gmunder, 2009 - also available from Turnaround), The Blush of Youth captures them in their full glory. The intimate look of the pictures, the carefree performance of the models and the easy-going way in which they discover their sexuality turn this stunning photobook into a true celebration of youth and beauty.

than just a body part. This A-to-Z encyclopedia explores the cultural meanings, interpretations, and activities associated with the penis over the centuries and across cultures. Scholars, activists, researchers and clinicians delve into the penis in antiquity, in art, in religion, in politics, in media, in music, and in the cultural imagination. They examine the penis as a problem, a fetishized commodity, a weapon, an object of play. Penile décor and fashions—from piercings to koteka—are treated with equal dignity. Explanation of common medical terms and not-so-common subcultural practices add to the broad scope of the book. Taken together, the Cultural Encyclopedia of the Penis offers refreshing,
