200+ Common English Idioms and Phrases with Their Meaning ...

English idioms, proverbs, and expressions are an important part of everyday English. They come up all the time in both written and spoken English. Because idioms don't always make sense literally, you'll need to familiarize yourself with the meaning and usage of each idiom. That may seem like a lot of work, but learning idioms is fun, especially when you compare English idioms

Enhance your speaking skills and listening comprehension by learning English idiomatic expressions. Welcome to another new exciting book of Coach Shane's English expression series. In this book, you would find 1000 English idioms and phrases with practical examples, dialogues/conversations and explanations. In this version, I made many changes compare to previous version. Because, I rearranged all English idiomatic expressions in alphabetically order, so you can use this book like an American idioms dictionary. Also, you would find some illustrated pictures in some places. In previous edition, I have received some complains, so that's why, I fixed many things in this edition. I tried to explain the English phrasal verbs and idioms in detail. You would know how to use them effectively. I picked up these common English expressions from sitcoms, movies, news, etc. Having learned these sayings, idioms and phrasal verbs, you would be able to understand movies, sitcoms, and news. I hope this book would be a great book for intermediate and advanced level ESL (English as a second language) peoples.

Covering over 10,000 idioms and collocations characterized by similarity in their wording or metaphorical idea which do not show corresponding similarity in their meanings, this dictionary presents a unique cross-section of the English language. Though it is designed specifically to assist readers in avoiding the use of inappropriate or erroneous phrases, the book can also be used as a regular phraseological dictionary providing definitions to individual idioms, clichés, and set expressions. Most phrases included in the dictionary are in active current use, making information about their meanings and usage essential to language learners at all levels of proficiency.
