The Student?s Book has been redesigned and almost all of the photographs, graphs and charts have been replaced. All of the reading and listening texts have been updated or are new.

IELTS Express is a two-level preparation course for students at intermediate (4 - 5.5) and Upper Intermediate (5.5 - 7) levels. This popular IELTS preparation course has been completely revised. This book deals with this course.

IELTS EXPRESS is a two-level IELTS exam preparation series. Level one covers the IELTS band 4-5.5, providing a low entry-point for students wishing to prepare for IELTS. IELTS Express is designed to be used with both short courses of 30-40 hours, but can also be extended to up to 90 hours by using supporting materials, such as the Workbook and the Teacher's Guide.

Objective IELTS is a 2-level IELTS preparation course providing comprehensive training for both the Academic and General Training modules. The course is uniquely informed by the Cambridge Learner Corpus, using analysis of real IELTS candidate papers. The 2 levels of Objective IELTS can be used on their own or consecutively, so that lower-level students requiring a high band score can start preparing early. Each level offers 60-80 hours of study, which can be extended using the Workbook and CD-ROM.

An IELTS preparation course in two levels, Intermediate for students needing a band 5.0 - 6.0, Advanced for students aiming for Band 6.0 - 7.0.

Achieve IELTS offers a unique approach to preparing students for the IELTS examination. It is a two-level, student-centred course that not only prepares students for the test, but also for academic life after IELTS. Achieve IELTS provides an understanding of international academic language and culture so that students will be able to cope confidently in their new academic environment.

"Texts must be interesting enough for students to want to read them in their own language. Otherwise, how can we expect students to want to read them in English?" This is the authors' golden rule when they choose texts and topics for every level of American English File. It ensures you get material that learners will enjoy reading and will want to talk about. Texts such as "Could you live without money?" really help to generate opinion and discussion. They create a desire to communicate. Having created the desire, American English File then helps you to develop learners' communication skills. One way it does this is with a strong focus on pronunciation. Research shows that poor pronunciation is a major contributor to breakdowns in communication (Jennifer Jenkins: The Phonology of English as an International Language). American English File integrates pronunciation into every lesson - the "little and often" approach. But that's not all. The unique English File Sounds Chart puts a picture to each sound in the phonetic alphabet, so learners find it easier to remember the sounds and, ultimately, improve their pronunciation.
