Cohen, Ph.D., was written to help us create a shift in our own consciousness as well as that of humanity. In order to heal from traumas, we unknowingly repeat the stories of our lives again and again, reliving them in different scenarios in this life as well as in other lifetimes. This repetition of our behavior patterns is

neither neurotic nor pathological. It is absolutely necessary, because painful though it may be, repetition offers us multiple opportunities for facing our issues, making new choices, and healing ourselves at last. All of us have a God-given gift of free choice, although we may be unaware of it at times. Only when we
