With its informative and authentic material from The Economist (c), the Intelligent Business Coursebook helps students to increase their knowledge of key business concepts whilst learning English. The course can be used in preparation for exams such as BEC and BULATS.

This coursebook is designed primarily for accounting and management students who are taking English practicum in STIESIA Surabaya. The materials are concerning to business and workplace contexts. Thus, various language skills and topics are developed to enhance student's English language proficiency. In particular, various vocabularies, phrases, texts, talks, and conversations for business purposes are presented to delineate student's comprehension as well as to advance student's communication skills with colleagues, superiors, clients, customers, and other parties at work. In this book, each unit is organized into four language skills: reading skill, listening skill, speaking skill, and listening practice tests. Moreover, this book involves various English expressions that business people commonly use at work in the section of language skills. These can help students in practicing real English usage in the office.

"Language Leader is a general adult course that provides a thought-provoking and purposeful approach to learning English. With its engaging content and systematic skills work, it is the ideal course for students who want to express their ideas and develop their communicative abilities."--Back cover.

Intelligent Business uses informative and up-to-date authentic material from the Economist. It is fully benchmarked alongside the Cambridge BEC exam suite and Common European Framework

Collocations are combinations of words which frequently appear together. Using them makes your English sound more natural. Presents and explains approximately 1,500 word combinations in typical contexts using tables, charts, short texts and dialogues.

Information-rich topics and texts immerse adult learners in themes and issues from around the world so that English is more relevant.
