Eleven years before Rosa Parks resisted going to the back of the bus, a young black second lieutenant, hungry to fight Nazis in Europe, refused to move to the back of a U.S. Army bus in Texas and found himself court-martialed. The defiant soldier was Jack Roosevelt Robinson, already in 1944 a celebrated athlete in track and football and in a few years the man who would break Major League Baseball's color barrier. This was the pivotal moment in Jackie Robinson's pre-MLB career. Had he been found guilty, he would not have been the man who broke baseball's

color barrier. Had the incident never happened, he would've gone overseas with the Black Panther tank battalion—and who knows what after that. Having survived this crucible of unjust prosecution as an American soldier, Robinson—already a talented multisport athlete—became the ideal player to integrate baseball. This is a dramatic story, deeply engaging and enraging. It's a Jackie Robinson story and a baseball story, but it is also an army story as well as an American story.

Baseball, basketball, football – no matter the game, Jackie Robinson excelled. His talents would have easily landed another man a career in pro sports, but in America in the 1930s and '40s, such opportunities were closed to athletes like Jackie for one reason: his skin was the wrong color. Settling for playing baseball in the Negro Leagues, Jackie chafed at the inability to prove himself where it mattered most: the major leagues. Then in 1946, Branch Rickey, manager of the Brooklyn Dodgers, decided he was going to break the “rules” of segregation: he recruited Jackie Robinson. Fiercely determined, Jackie faced cruel and sometimes violent hatred and discrimination, but he proved himself again and again, exhibiting courage, restraint, and a phenomenal ability to play the game. In this compelling biography, award-winning author Doreen Rappaport chronicles the extraordinary life of Jackie Robinson and how his achievements won over – and changed – a segregated nation.
