Where To Download Japanese Designs Dover Design Coloring Books

This ready-to-color collection of 30 full-page designs depicts popular motifs in the best Japanese artistic tradition — from highly stylized creatures of the sea and air to lush blossoms and sinister dragons. A delight for colorists of all ages, a versatile source of inspiration and royalty-free art for designers, artists, and craftworkers.

Florals amid an abstract design. Sea life on the ocean floor. Ornate fans set against a background of repeat patterns. Butterflies on a bamboo grid. These lovely designs and more recall the timeless beauty of traditional Japanese art. You can bring the 16 fanciful illustrations in this book magically to life by coloring them with paints, crayons, felt-tip pens, or colored pencils. Then, place your finished picture in front of a window or other source of bright light and enjoy the dazzling stained glass effects.

The distinctive Japanese print, the Ukiyo-e ("pictures of the passing, floating world"), is among the most beautiful of all art forms developed by man. This exceptional coloring book offers 38 exquisite, ready-to-be-colored plates by Japan's greatest print masters: Kiyonaga, Utamaro, Hokusai, Sharaku, Hiroshige, and 16 others. Publisher's Note. List of prints.

Bold and exotic, these 16 images are based on authentic Japanese tattoo designs. Images include dragons, samurai, koi, tigers, delicate blossoms, geisha, and other traditional motifs.

Japanese kimonos are wearable art. Celebrating the patterns and motifs adorning the traditional costumes, 30 ready-to-color illustrations present kimono-clad figures awash in pastoral scenes and wandering abstracts.

Dragons, tigers, cranes, peacocks, and peonies abound in this collection of 130 authentic Japanese motifs. So do flowers, plants, and animals. Geometric, abstract, and all-over patterns are also included.

Colorists of all ages will appreciate these graceful courtesans, mountainous landscapes, and other images from the woodblock tradition. Thirty meticulous renderings include masterly works by Kunisada, Hiroshige, Utamaro, Eisen, and Toyokuni.

Renowned for its superb invention, ingenuity, and sense of pattern, Japanese design has long been admired in the West. One specific kind of ornamentation, known as "mon," is especially recognized for its unusually rhythmic and engrossing patterns. Originally designed to serve as family emblems or crests, "mon" have also been used in Japan as trademarks and for decorating such objects as kimonos and lacquered furniture. This volume presents 800 of these attractive, copyright-free designs, ready for use or adaptation by today's commercial artists, craftspeople, and designers. Combining stylized natural and geometric forms to produce striking images, "mon" lend themselves to a wide range of applications: textile and wallpaper design, floor coverings, jewelry, mosaics, and much more. A special feature of this book is the inclusion of a number of designs by the great artist Hokusai, selected from an extremely rare edition originally published in 1824. In addition, the collection contains figures based on written characters, geometrical pattern construction, kimonos, and other motifs. Jack Hillier, a well-known author and authority on Japanese art, has provided an informative and enlightening introduction to this exciting and useful design form. Dover (1994) republication of designs and English text from the work published by University of Toronto Press, Toronto, and Amstutz de Clivo Press, Zurich.

Add a touch of the Far East to craft projects with this gallery of 71 patterns: geishas, koi, pagodas, samurai warriors, and other motifs, all inspired by authentic Japanese sources.

Beautifully rendered for coloring, these unusual designs were originally hand cut by Japanese artisans. Sixteen drawings — depicting carp, cranes, butterflies, flower baskets, and more — will delight colorists of all ages.
