An ancient Hindu text, "The Kama Sutra" is attributed to Vatsyayana-a Vedic philosopher of the Gupta Empire. The book offers advice on the practice of sexual intercourse, with additional passages about virtue, love, family, and other aspects of human life. It is arguably the world's most famous literary document concerning human sexuality.	
	
The Kama Sutra is an ancient Indian Hindu text widely considered to be the standard work on human sexual behavior in Sanskrit literature written by Vatsyayana. A portion of the work consists of practical advice on sexual intercourse. It is largely in prose, with many inserted anustubh poetry verses. "Kama" which is one of the four goals of Hindu life, means desire including sexual desire the latter being the subject of the textbook, and "sutra" literally means a thread or line that holds things together, and more metaphorically refers to an aphorism (or line, rule, formula), or a collection of such aphorisms in the form of a manual. Contrary to popular perception, especially in the western world, Kama sutra is not exclusively a sex manual; it presents itself as a guide to a virtuous and gracious living that discusses the nature of love, family life and other aspects pertaining to pleasure oriented faculties of human life. Kama Sutra, in parts of the world, is presumed or depicted as a synonym for creative sexual positions; in reality, only 20% of Kama Sutra is about sexual positions. The majority of the book, notes Jacob Levy, is about the philosophy and theory of love, what triggers desire, what sustains it, how and when it is good or bad. The Kama Sutra is the oldest and most notable of a group of texts known generically as Kama Shastra Historians attribute Kamasutra to be composed between 400 BCE and 200 CE. John Keay says that the Kama Sutra is a compendium that was collected into its present form in the 2nd century CE Includes unique illustrations!	

The Kama Sutra has been published with illustrations before, but never like this! Using the recent, critically acclaimed translation by A.N.D. Haksar, superstar illustrator Marcos Chin has created fifty images which are at once beautiful, provocative, sexy and bursting with energy. Lavishly designed, this luxury edition comes hardbound in a slipcase and makes for a stunning gift.

The Kamasutra is the oldest extant Hindu textbook of erotic love. About the art of living as well as about the positions in sexual intercourse, it is here newly translated into clear, vivid, sexually frank English together with three commentaries: excerpts from the earliest and most famous Sanskrit commentary (13th century), a twentieth-century Hindi commentary, and explanatory notes by the translators. The edition is enhanced by a selection of colour plates from an early edition of the work.

Traces the history of the famous text typically associated with its instruction for sexual techniques from its origins in third-century India--where it began as a primer on urbane sophistication, counseling readers on friendship and home dé cor--to a British explorer launching the text into fame in Victorian society. Reprint.

According to legend, the Kamasutra was created by the Indian god Shiva who, overwhelmed by the joys of sexual experience, wrote a servant a treatise on erotic art. Inspired by the original Kamasutra, this deck is meant to aid seekers in their own quest for enlightenment through the senses.
Publisher Review: I feel I have to start this review by stating that this deck is filled with very explicit illustrations of couples involved in sexual relations. If that alone is a "deal breaker," you have no reason to continue with this review. Next, I'd like to look at the source text for this deck, the Kama Sutra. Many people talk of this book as having great spiritual value. They approach it as a key Tantric (a small part of Tantra involves spiritualized sexuality) text. Neither concept is true. It is far closer to what might be called a rule book for marriage. It is composed of seven sections, of which sections 3 – 6 are about how to get a wife, how a chief wife should act, how other wives should act and advice on how to become a courtesan. Section seven is about how to attract a partner and includes the closest thing to instructions on sexual magick found in the entire book. Section one, the introduction, introduces various Vedic spiritual concepts and may simply be slapped onto the book in order to give it some legitimacy. Indeed, at least one historian claims the entire book was a collection of other texts. The remaining section is the part of the book that is most famous. It includes numerous legalistic and dogmatic concepts on how to have sexual relations, some of which require a great deal of physical strength and agility. It also describes 64 types of sexual acts. I vividly remember getting a copy of this book when I was about 14 years old on a vacation in Palm Springs. I eagerly tried reading it and no matter how much I skipped, I couldn't help but find it stultifying, dated, and silly. That brings us to an overview of the art in this deck. As described in the deck attributes below, the Art School Vijai & Ram of Rajasthan have done an absolutely magnificent job of producing sexually explicit modern art in the style and character of of 17th and 18th century Indian art (heavily influenced by Mughal-style art) often found in published editions of the Kama Sutra. You'll instantly recognize the style. . . read more.

The 18 million fun, fearless readers of Cosmopolitan agree on one thing: no one knows sex better. Now Cosmo's perennial bestseller is available in a great new gift format—and it's hotter than ever, with 22 sizzling new positions. Each of the 99 positions is illustrated and features precise instructions on mastering the move. It's a torrid tour-de-force that will be as much fun to give as to receive. And now, the table of contents makes it easy to search by type of position—such as sitting, standing, and reclining—so you can find the move you want...even in the heat of the moment.
