Business Law 9e is ideal for use on undergraduate Business Law modules taken by business studies, accounting, marketing, design and technology, health studies and food science and other non-law students. It covers the business law syllabus requirements of many professional and examination bodies such as the Chartered Institute of Management Accountants, the Association of Chartered Certified Accountants, the Institute of Chartered Secretaries and Administrators and the Institute of Personnel Development. It is also suitable for the GNVQ Business Law option.

This public domain book is an open and compatible implementation of the Uniform System of Citation.

Understanding Employment Relations is for undergraduate and postgraduate industrial relations and employment relations students aspiring to, or holding, positions that involve the management of labour. The text addresses workplace governance under the Fair Work Act 2009, as well as the role of trade unions, employer associations, collective bargaining processes, and various laws pertaining to contracts of employment, equal opportunity and occupational health and safety. It also situates these players and processes within a unified theoretical framework and how industrial relations and human resource management practices can be combined. Australia has one of the most legalistic industrial relations systems in the world: in recognition of Australia's unique regulatory environment, employment law features prominently throughout the text to help students to understand the full panoply of laws and regulations governing workplace relations.

A starting point for the study of the English Constitution and comparative constitutional law, *The Law of the Constitution* elucidates the guiding principles of the modern constitution of England: the legislative sovereignty of Parliament, the rule of law, and the binding force of unwritten conventions.

This manual is intended to provide students with a simplified approach to the understanding of business law. It covers the examination requirements for the students sitting the following examinations: ACCA Level 1 - Law, ICMA Foundation - Business Law, ICSA Part 1 - General Principles of English Law, ICSA Part 2 - Business Law, ICSA Part 3 - Industrial Law.

Now in its 13th edition, Jill Poole's immensely popular Textbook on Contract Law has been guiding students through contract law for over 20 years. Poole's case focus and clear writing style make this text a favourite with students and lecturers alike. The law of contract is placed within its commercial context, and students are provided with a detailed yet accessible treatment of all the key areas of contract law. Key features: * Each chapter begins with a summary of key issues, providing an overview of central themes and points of law, and concludes with suggestions for further reading, guiding students towards the most relevant texts and articles * Key points, illustrative examples and questions encourage a deeper understanding of the central facts and issues * Headings, case summaries and case extract boxes allow for easy navigation through the text Online Resource Centre: This text is fully supported by an Online Resource Centre which provides: * 300 multiple choice questions with answers and feedback * Self-test questions and answers linked with Casebook on Contract Law * Guidance on answering problem questions in contract law * An opportunity for students to ask the author any questions
