years of experience working with nonordinary states, the author argues that when the deep psyche is hyper-simulated using Stanislaw Grof's powerful therapeutic methods, the healing that results sometimes extends beyond the individual to the collective unconscious of humanity itself.

This early work on dressmaking is both expensive and hard to find in its first edition. It contains information on costume making, pattern design, skirts and much more. This is a fascinating work and is thoroughly recommended for anyone interested in the art of dressmaking. Many of the earliest books, particularly those dating back to the 1900s and before, are now extremely scarce. We are republishing these classic works in
