A new and incisive analysis of the political viability of human rights, with an in-depth investigation of its largest violation: world hunger. Gonzalez-Pelaez develops John Vincent's theory of basic human rights within the context of the international political economy and demonstrates how the right to food has become an international norm enshrined within international law. She then assesses the international normative and practical dimensions of hunger in connection with international trade and poverty. Using the society of states as the framework of analysis, she explores the potential that the current system has to correct its own anomalies, and examines the measures that can move the hunger agenda forward in order to break through its current stagnation.

Androboros, A Bographical [sic] Farce in Three Acts (1715), is universally acknowledged as the first play both written and printed in America. Its significance stems not simply from its publication but from its eventual impact. Androboros was not just the first of its kind, it was also ahead of its time in many ways, preceding the harsh political satires and farces of the later eighteenth century by some fifty years. The play inadvertently laid the foundation for one of the defining rights of the nation that would eventually emerge some seventy-five years later - the First Amendment of the Constitution of the United States. As a closet drama intended only to be read by close friends and political supporters, this play has languished as a minor footnote in American intellectual history. Scholarly research published to date has been, for the most part, inadequate and occasionally inaccurate. This study remedies that oversight, providing a full analysis as well as an annotated typescript and facsimiles of the original printing. -- from back cover.

Graphic Violence provides an innovative introduction to the relationship between violence and visual media, discussing how media consumers and producers can think critically about and interact with violent visual content. It comprehensively surveys predominant theories of media violence and the research supporting and challenging them, addressing issues ranging from social learning, to representations of war and terrorism, to gender and hyper-masculinity. Each chapter features original artwork presenting a story in the style of a graphic novel to demonstrate the concepts at hand. Truly unique in its approach to the subject and medium, this volume is an excellent resource for undergraduate students of communication and media theory as well as anyone interested in understanding the causes and effects of violence in media.

On a trip to Georgia to see her father, M. J. Holliday finds herself trapped in a haunted mansion and discovers... THE SOUTH WILL RISE AGAIN-FROM THE DEAD M.J. has had a distant relationship with her father since her mother died more than two decades ago. But when M.J., her boyfriend, Heath, and BFF, Gilley, take a break from their show, Ghoul Getters, and visit her family home in Valdosta, Georgia, they find Montgomery Holliday a changed man. The source of his happiness seems to be his new fiancée, the charming Christine Bigelow. But despite the blush of new love, Montgomery and Christine are dealing with a big problem in the form of the antebellum mansion she is having renovated. After a series of strange accidents, the work crew is convinced the place is cursed, and the contractor has walked off the job. At Christine's request, M.J. and her pals agree to find out if they're really dealing with some spirited

saboteurs and a possessed plantation home.

"HOW SWEET IT IS will set your heart on fire" -Robyn Carr, New York Times bestselling author "One sweet read! Everything I love best: humor, warmth, emotions that pull at the heartstrings, characters that step off the page, and a wonderful love story." -- Mariah Stewart, New York Times bestselling author HOW SWEET IT IS Single mom Lizzie Bea Carpenter learned long ago that no white knight was coming to save her. A hardworking waitress at the local diner, she's raising her daughter to be like the independent women in her "Enemy Club"--high school rivals turned best friends, promising to always tell each other the whole truth and nothing but! Yet part of Lizzie wishes she did have a man's help, just for small stuff, like fixing up the house. Her fairy godmother must have been listening, because Dante "Tay" Giovanni soon appears. He's sexy, kind, and offering assistance--no strings attached. Slowly, steadily, Lizzie's heart opens. But the grip of the past is fierce, and nothing in life is ever really free. Tay has his own tragedies to overcome, but if he can, he'll fix more than Lizzie's home. He'll show her just how sweet it is to be loved by him.

This Notebook Makes a wonderful day to day notebook to write, take notes, make lists, and more This is a simple and durable all round notebook.
