Infertility - it's the latest "trend," and for most couples there isn't a darn thing funny about it. Well, don't be so sure. In Laughin'fertility, a guide to laughter by "baby-making challenged" author Lisa Safran, discover a funny, new perspective on the procedures, experiments, and studies so many people go through to make a baby. Laughin'fertility is a must for couples dealing with any aspect of infertility. And best of all, it will help sharpen laughter skills and prepare for what will hopefully be the next highly amusing challenge: parenthood.

A comprehensive guide to overcoming infertility shows women how to work their way through the medical options and deal with the psychological implications of this common condition. Reprint. 35,000 first printing.

A refreshingly honest memoir of a infertility follows one couple's decade-long search to become pregnant and its impact on their marriage. Reprint.

Accounts of couples struggling with infertility reach out with comfort and support.

The authors, a reproductive endocrinologist and a psychotherapist, will provide you with both expert information from a medical perspective and emotional tools to guide you through fertility. Whatever your unique process, FINDING YOU InFERTILITY(c) can be a powerful element in preparing you for the family you will create. Our hope and intention that the emotional resiliency and self-discovery that this workbook provides will transfer into all other aspects of your life!

This 17th volume of "Letters to Penthouse" features the most scorching and amazing erotic tales ever--and they are all true--from everyday people from every walk of life. These are the real, provocative experiences of those who seized the moment and acted on their most uninhibited erotic desires. Original.

A bestselling fitness guru turns her expertise and experience to teaching her fans how to develop the healthy eating habits that have worked for her. Her proven six-week plan allows readers to experiment with different methods and adopt the healthy habits that are most effective for them.
