Heritage - Yangon ...

Siddhartha Gautama was born as a rich young prince. His father insisted that he should live a life away from other people, for it had been predicted that Siddhartha would become a Buddha, and his father wanted him to grow up and rule in his place. So the king made beautiful palaces for his son and Yasodhara, his son's beautiful wife to live in.

Buddha is an even higher spiritual power, that derives no pleasure from controlling the flesh, since he has altogether moved beyond pleasure and suffering. Passion, whose conquest still requires so much effort in the case of Christ and does so incessantly and in ever greater measure, has left Buddha and surrounds him as a blazing fire.

medicine is surprisingly contemporary in its assumptions. Under the guidance of skilled lama-physicians, it views good health as a balance between material and spiritual concerns and marshals an impressive array of physical, psychological, and spiritual practices in its extensive medical kit. To explore the modern legacy of the Medicine Buddha tradition, Peter Fenton journeyed to India and Nepal to see first-hand how Tibetan medicine is practiced today and to discover whether its ancient secrets can help us improve our own well-being. His first-person account, full of fascinating stories and interviews and illustrated with photographs, charts, and botanical drawings, demonstrates that traditional Tibetan healing is a vibrant, living system that can help
