Madonna's record-breaking 'Rebel Heart Tour' comes to DVD, featuring 24 tracks performed around the world on her 10th global trek! Co-directed by Danny B. Tull and Nathan Rissman, this two hour spectacular is everything (and more) you'd expect from The Queen Of Pop.

Madonna enjoys pushing the envelope, generating accolades and controversy with each cause and project to which she lends her fame. A pop culture icon for over 30 years, her ongoing artistic evolution inspires fans who find her unconventionality refreshing. A self-described fighter, she's been unafraid to take a political stance, openly championing women's rights and civil rights throughout her career. This book tracks the queen of reinvention from her early struggles and ambitions through her unparalleled metamorphosis from pop star, to film star, to author, and philanthropist. Curious minds will discover how she's thrived and survived as a world-renowned female artist and provocateur.

Madonna is the most popular female recording artist ever, a boundary-pushing artist who constantly reinvents herself. Updated to include Rebel Heart, this authoritative book examines all of her studio albums, placing them in cultural context and charting the musician's influence. Featuring iconic and rare photographs, and published in anticipation of her 60th birthday, Madonna takes a unique look at the star's extraordinary output.
