Marlborough His Life and Times - AbeBooks

John Churchill, the Duke of Marlborough (1644-1722), was one of the greatest military commanders and statesmen in the history of England. Victorious in the Battles of Blenheim, Ramillies, and countless other campaigns, Marlborough, whose political intrigues were almost as legendary as his military skill, never fought a battle he didn't win.

Results for: Marlborough: His Life and Times 4 volumes

An epic tome covering the entire life of John Churchill, First Duke of Marlborough. I thoroughly enjoy all of Churchill's writings and wit, and even the less exciting moments are told with a vividness and dedication to historical accuracy (copiously detailed by Winston as his counter to the many slanders of Macaulay's histories) by way of documentation that one can only salute with admiration.

Marlborough: His Life and Times - Wikipedia

Marlborough: His Life and Times - AbeBooks

John Churchill, the Duke of Marlborough (1644-1722), was one of the greatest military commanders and statesman in the history of England. His descendant, Sir Winston Churchill wrote this work as both an act of homage, and as an historical insight into the man behind the statesman.

"It is my hope to recall this great shade from the past, and not only invest him with his panoply, but make him living and intimate to modern eyes."—from the preface to Volume One John Churchill, the Duke of Marlborough (1644-1722), was one of the greatest military commanders and statesmen in the history of England. Victorious in the Battles of Blenheim (1704), Ramillies (1706), and countless other campaigns, Marlborough, whose political intrigues were almost as legendary as his military skill, never fought a battle he didn't win. Although he helped James II crush the rebellion of the Duke of Monmouth, Marlborough later supported William of Orange against James II in the Glorious Revolution of 1688 and brilliantly managed England's diplomatic triumphs during the War of the Spanish Succession. Marlborough also bequeathed the world another great British military strategist and diplomat—his descendant, Winston S. Churchill, who wrote this book to redeem Marlborough's reputation from Macaulay's smears. One million words long and ten years in the making, Churchill's Marlborough stands as both a literary and historical masterpiece, giving us unique insights into the Churchill of World War II, for just as Churchill's literary skill helps us understand the complexities of Marlborough's life, so too did his writing of Marlborough help Churchill master the arts of military strategy and diplomacy. This two-volume edition includes the entire text and almost all the original maps.

Marlborough: His Life and Times - AbeBooks

The second volume in the Nobel Prize winner ' s biography of John Churchill, first Duke of Marlborough: " The greatest historical work written in our century " (Leo Strauss). After the defeat of the Conservative government in the 1929 general election, Winston S. Churchill entered a period of political exile; a time he referred to as " the wilderness years. " It was during this time that Churchill began his work on Marlborough: His Life and Times, widely considered to be one of his most ambitious and masterful literary works. Although not as well remembered as his more famous descendant—Churchill himself—Marlborough was an influential soldier and statesman of seventeenth- and eighteenth-century Great Britain, known in his day as a gifted military commander who never lost a battle. This second volume of Churchill ' s four-part biography brings Marlborough ' s military successes, political intrigues, and personal passions to life, while his descendant reflects " on the perplexities of alliances, the paradoxes of strategy, and the stresses of combat " (Foreign Affairs). " An inexhaustible mine of political wisdom and understanding, which should be required reading for every student of political science. " —Leo Strauss

A fascinating new look at a neglected side of Winston Churchill - his life as a professional author - revealing how his most important literary work shaped his role as a world leader, and the history of the Second World War

**\*\*Picked as One of the Best Books So Far in 2020 by the Sunday Times\*\***
'A continuously astonishing and ultimately moving account of a unique figure, the stuff of great literature' Simon Callow, THE SUNDAY TIMES 'Gripping . . . jaw-dropping story, brilliantly told' Ysenda Maxtone Graham, THE TIMES 'A truly wonderful read' Lynda La Plante, DAILY EXPRESS 'The most extraordinary, rackety life' William Boyd, DAILY TELEGRAPH
Hugo Vickers has ensured that Marlborough's last duchess won't return to obscurity any time soon by giving us this richly anecdotal and oddly captivating book' Miranda Seymour, FINANCIAL TIMES 'At the end of the book the reader can only say, "Whew! What a story!"' Anne de Courcy, SPECTATOR
'Hugo Vickers's life of Gladys Marlborough is an extraordinary and tragic story, with special resonance today' EVENING STANDARD
\*\*\*\*\*
One of the most beautiful and brilliant women of her time, Gladys Deacon dazzled and puzzled the glittering social circles in which she moved. Born in Paris to American parents in 1881, Gladys emerged from a traumatic childhood - her father having shot her mother's lover dead when Gladys was only eleven - to captivate and inspire some of the greatest literary and artistic names of the Belle Epoque. Marcel Proust wrote of her, 'I never saw a girl with such beauty, such magnificent intelligence, such goodness and charm.' Berenson considered marrying her, Rodin and Monet befriended her, Boldini painted her and Epstein sculpted her. She inspired love from diverse Dukes and Princes, and the interest of women such as the Comtesse Greffulhe and Gertrude Stein. In 1921, when Gladys was forty, she achieved the wish she had held since the age of fourteen to marry the 9th Duke of Marlborough, then freshly divorced from fellow American Consuelo Vanderbilt. Gladys's circle now included Lady Ottoline Morrell, Lytton Strachey and Winston Churchill, who described her as 'a strange, glittering being'. But life at Blenheim was not a success: when the Duke evicted her in 1933, the only remaining signs of Gladys were two sphinxes bearing her features on the west terraces and mysterious blue eyes in the grand portico. She became a recluse, and the wax injections she'd had to straighten her nose when she was 22 had by now ravaged her beauty. Gladys was to spend her last years in the psycho-geriatric ward of a mental hospital, where she was discovered by a young Hugo Vickers. Intrigued and compelled to unmask the truth of her mysterious life, Vickers visited her over the course of two years, eventually publishing Gladys, Duchess of Marlborough, a biography of her life - and his first book - in 1979, two years after Gladys's death. Forty years on, Vickers has now completely rewritten and revised his original biography, updating it with previously unavailable material and drawing on his own personal research all over Europe and America. He once asked Gladys, 'Where is Gladys Deacon?' She answered him slowly, 'Gladys Deacon? . . . She never existed.' The Sphinx is a fascinating portrait of this elusive but brilliant woman who was at the centre of a now bygone era of wealth and privilege - and a tribute to one of the brightest stars of her age.

" A richly textured and deeply moving portrait of greatness " (Los Angeles Times). In this masterful book, prize-winning historian and authorized Churchill biographer Martin Gilbert weaves together the research from his eight-volume biography of the elder statesman into one single volume, and includes new information unavailable at the time of the original work ' s publication. Spanning Churchill ' s youth, education, and early military career, his journalistic work, and the arc of his political leadership, Churchill: A Life details the great man ' s indelible contribution to Britain ' s foreign policy and internal social reform. With eyewitness accounts and interviews with Churchill ' s contemporaries, including friends, family members, and career adversaries, it provides a revealing picture of the personal life, character, ambition, and drive of one of the world ' s most remarkable leaders. " A full and rounded examination of Churchill ' s life, both in its personal and political aspects . . . Gilbert describes the painful decade of Churchill ' s political exile (1929–1939) and shows how it strengthened him and prepared him for his role in the ' hour of supreme crisis ' as Britain ' s wartime leader. A lucid, comprehensive and authoritative life of the man considered by many to have been the outstanding public figure of the 20th century. " —Publishers Weekly " Mr. Gilbert ' s job was to bring alive before his readers a man of extraordinary genius and scarcely less extraordinary destiny. He has done so triumphantly. " —The New York Times Book Review

A volume in Churchill ' s history of the First World War that is " essential reading, as fresh and compelling as ever " (Jon Meacham, bestselling author of Franklin and Winston). This epic volume—third in a five-volume history of World War I from the eyewitness perspective of a highly-placed political insider—details Winston S. Churchill ' s development of the Ten Year Rule, which gave the treasury unprecedented power over financial, foreign, and strategic policy for years to come. In March 1916, Churchill returned to England to speak once more in the House of Commons. Appointed first Minister of Munitions, then later Secretary of State for War and Secretary of State for Air, Churchill was in a prime position to observe and document the violent end of World War I. This volume gives context for the events that came before Churchill ' s return, including the intense battles of Jutland and Verdun. And it provides a rare perspective in the unbiased observances of a political leader with a journalist ' s eye for the truth and a historian ' s sense of significance—qualities which helped earn him a Nobel Prize in Literature in 1953.

"Of the many biographies of Marlborough, two deserve special mention: Sir Winston Churchill, in Marlborough: His Life and Times (4 vols., 1933-1938; abridged in one volume, by Henry Steele Commager, 1970), is intent on vindicating his ancestor from Thomas Babington Macaulay's aspersions, and the work is full of special pleading; it prints little not already found in Coxe, but it has some splendid battle pieces."--biography.yourdictionary.com.

The long-awaited final volume of William Manchester's legendary biography of Winston Churchill. Spanning the years of 1940-1965, The Last Lion picks up shortly after Winston Churchill became Prime Minister-when his tiny island nation stood alone against the overwhelming might of Nazi Germany. The Churchill conjured up by William Manchester and Paul Reid is a man of indomitable courage, lightning-fast intellect, and an irresistible will to action. The Last Lion brilliantly recounts how Churchill organized his nation's military response and defense, compelled FDR into supporting America's beleaguered cousins, and personified the "never surrender" ethos that helped the Allies win the war, while at the same time adapting himself and his country to the inevitable shift of world power from the British Empire to the United States. More than twenty years in the making, The Last Lion presents a revelatory and unparalleled portrait of this brilliant, flawed, and dynamic leader. This is popular history at its most stirring.
