many levels. But do these images truly represent the diverse identities of women-centered women worldwide? This book addresses the limited access to images of diverse and international lesbian identities and experiences, in order to provide the reader with a more complete understanding of what it means to be

lesbian in a global context. It investigates how lesbians portray themselves as well as how they are portrayed by others in several areas of popular culture, including television, film, the arts, Internet, advertising and the news. It features articles on U.S. lesbian cartoonists, Canadian viewer perceptions of lesbians

In 2005, a disgruntled archivist at the Vatican Library made contact with revisionist historians Timothy Freke and Peter Gandy, claiming that the Vatican was secretly housing a number of unpublished “ heretical ” Gnostic Christian texts. He presented Freke and Gandy with a facsimile copy of an ancient

manuscript, which is presented to the public for the first time in this book. This gospel will shock academics and Christians alike. It makes the extraordinary claim that the long-awaited “ Second Coming of Christ ” has already happened; and it also explores the intimate relationship between Mary Magdalene and Jesus, his

“ Beloved Disciple. ” And, perhaps most controversial of all, it reveals Jesus as a Gnostic master with a zany sense of humor and an upbeat message. As Jesus says himself in the text: “ Death is coming. Life is foreplay. ”

This concise book is filled with wisdom.
