Since the Certified Healthcare Simulation Educator competency was first established in June 2012, over 350 applicants from 13 countries have applied to become a CHSE, and nearly two thirds of them have completed the process and passed the certification exam. This book, the first review manual for the healthcare simulation educator certification exam, will be a valuable resource for aspiring educators in this rapidly emerging field. Certification for the CHSE exam applies to all healthcare disciplines in the U.S. and internationally. The Review covers all topics included on the exam and closely mirrors the CHSE blueprint to familiarize students with the exam. It includes end-of-chapter review questions, test-taking techniques, and over 200 test questions dispersed throughout the book.. Information is presented in pithy outline format interspersed with small sections of narrative for optimal learning and retention. The Review

study aid contains more than 350 must-study questions that cover all official test categories found on the NCLEX, with detailed explanations of answers. The book also provides fascinating fun facts about the medical/nursing profession and its history. Unlike most flashcards that come loose in a box, our flashcards are bound in an organized, compact book that makes studying a breeze. Nursing students can write their answer on the front of the card, and then compare it to the answer on the back of the card. This concise question and answer format makes it easy to find the right answer, and we even give details explaining why the answer is correct. Fully indexed for smarter study, this book is the perfect way to study for the NCLEX-PN exam!

For the most comprehensive and up-to-date exam preparation available today, nurses turn to ARCO.

Completely updated, with over 300 new bullets, this compact, easy-to-carry review book is an invaluable preparation tool for the NCLEX-PN®. It contains easy-to-read bulleted key points of essential information in all subject areas of nursing, presented in random order to prepare students for the random-order questions on the exam. New topics covered in this edition include collaboration with multidisciplinary teams, performance improvement, staff education, disaster response, home safety, injury prevention, occurrence reporting, security planning, safety devices, high-risk behavior, cultural diversity, family dynamics, alternative and complementary therapies, and violence precautions. Also included are strategies for taking the Computerized Adaptive Licensing Test.

Lippincott's Fast Facts for NCLEX-PN presents 4,500 essential facts that nursing students can review again and again to help them prepare for and pass the PN exam. These important nuggets of information cover all aspects of nursing care, organized around the major subject areas tested on the exam: adult health, maternal-neonatal nursing, pediatric nursing, psychiatric nursing, pharmacology, and management of care.

This is the eBook of the printed book and may not include any media, website access codes, or print supplements that may come packaged with the bound book. The NCLEX-RN Practice Questions Exam Cram , Fifth Edition provides 1250 questions for the nursing student who wants to be better prepared for the exam. Updated to provide more relevant and challenging questions matching NCLEX adjustments made in 2015, this fifth edition improves upon the prior editions that have served as one of the most popular late-stage study tools for Nursing candidates. Anxiety about the exam is high among nursing students and results from the focus group say 'the more practice questions to study, the better'! The Exam Cram questions cover every topic the student will encounter on the real exam including more "new format" interactive questions. The Exam Cram gives the student as much experience with the real exam as possible. The NCLEX-PN Practice Questions Exam Cram , Fifth Edition offers a cram sheet for last minute study as well as the CD testing engine for that testing experience, a proven combination for exam success!
