Strikkepiken - Mariuslue

Til datteren min valgte jeg å strikke rød Marius lue i Smart fra Sandnes garn i 100% ull! Den ble strikket med litt kortere topp, slik som Bygårdsmannens. Jeg felte i toppen hver 2 omg., i stede for hver 3 omg. Marius luen passet veldig fint til henne, og det var selvsagt mamma'n hennes veldig glad for! Marius mønsteret i rødt, er friskt og fint! Og dessuten så syns man jo godt i ...

Cathrines Kreative Hjørne: Marius luer i rødt, hvitt og blått!

Marius mønsteret jeg har valgt er litt annerledes - her kan du komponere sammen selv. Ønsker du lue i str 1-2 år, bytter du til pinne 3 og 3.5. Ønsker du øre klaffer slik vi har laget, strikkes de på i etterkant. Så nå er det bare å sette i gang å strikke folkens. Ønsker alle en riktig god helg :) Lagt inn av Unknown kl. 02:12. Contemporary and stylish patterns using a wide range of yarns to make wrist warmers and mittens for all seasons.

Since 2002, Scandinavian knitting sensations Arne and Carlos have used their unique style sense to translate traditional Scandinavian knitwear designs into individual patterns perfect for holiday décor. Here they share 55 hand-stitched knits on a super-small scale, with knitting that's fast and fun, whatever your skill level. You'll find step-by-step instructions, how-to tips, and full-color photos for inspiration.

She's back. Madame Therese Defarge, a character in the book *A Tale of Two Cities* by Charles Dickens, worked the names of the condemned into her knitting as she sat near the ever-active revolutionary guillotines. But Dickens never described what Madame Defarge was knitting. As in the beloved first volume in this series, this book brings together a host of knitting (and weaving) talent to imagine what their favorite fictional characters would knit and wear. From Tristan and Iseult to Jane Bennet to Miss Marple, characters from many of your most-loved classic books finally get the knitwear they deserve."

Arne and Carlos derived the inspiration for this book from numerous Setesdal patterns. Many were found in the attics of old houses, in books, on postcards, and from old knitting patterns. Here you will find 33 patterns for sweaters in bright colours, to suit both men and women. There are also ideas for accessories such as mittens, hats, stockings, and much more.

This stunning book of authentically styled knitwear offers 14 classic designs for all the family. Drawing on inspiration from the late 1940s & early 50s it focuses on fashion influences around the time of the Coronation of Queen Elizabeth II. *Coronation Knits* is an enticing selection of designs inviting knitters to create something truly beautiful.

At the heart of this anthology lies the world of fashion: a concept that pervades the realm of clothes and dress; appearances and fashionable manners; interior design; ideas and attitudes. Here sixteen papers focus on the Nordic world (Denmark, Norway, Sweden Finland, Iceland, the Faroe Isles and Greenland) within the time frame AD 1500-1850. This was a period of rapid and far-reaching social, political and economic change, from feudal Europe through political revolution, industrialisation, development of international trade, religious upheaval and technological innovation; changes impacting on every aspect of life and reflected in equally rapid and widespread changes in fashion at all levels of society. These papers present a broad image of the theme of fashion as a concept and as an empirical manifestation in the Nordic countries in early modernity, exploring a variety of ways in which that world encountered fashionable impressions in clothing and related aspects of material culture from Europe, the Russian Empire, and far beyond. The chapters range from object-based studies to theory-driven analysis. Elite and sophisticated fashions, the importation of luxuries and fashion garments, christening and bridal wear, silk knitted waistcoats, woollen sweaters and the influence of the whaling trade on women's clothing are some of the diverse topics considered, as well as religious influences on perceptions of luxury and aspects of the garment trade and merchant inventories.

Refreshing and crisp, more than 20 knitting projects fill this volume, inspired by traditional Norwegian garments. Suited for an active lifestyle, these innovative patterns include a variety of options such as classy vests, beautiful jackets, warm mittens, and stylish hats. Included with each individual project are inspirational photographs, step-by-step instructions, design templates, and pattern charts.

"In this new book, writer and designer Kate Davies unravels the tale of one of the twentieth century's most distinctive sweater styles -- the circular yoke. From Shetland and Iceland to Canada and Sweden, Kate's essays and conversations take you on a journey around the North Atlantic, exploring the yoke's intriguing and often surprising regional narratives."--Page 4 of cover.
