An Analysis of Brian Friel ' s Presentation of the Relationship Between Madge and Gareth.

Broadway hit about a young Irishman on the eve of his emigration to America.

Fed up with the dreary round of life in Ballybeg, with his uncommunicative father and the humiliating job in his father's grocery shop, with his frustrated love for Kathy Doogan who married a richer, more successful young man and with the total absence of prospect and opportunity in his life at home, Gareth O'Donnell has accepted his aunt's invitation to come to Philadelphia. Now, on the eve of his departure, he is not happy to be leaving Ballybeg. With this play Brian Friel made his reputation and it is now an acknowledged classic of modern drama.

Is your enjoyment of Brian Friel's work hampered by a lack of Irish historical knowledge? Are you studying his plays and looking for help with interpretation? Do you teach Friel and need reliable guide to the plays? A Faber Critical Guide to Brian Friel's major work gives all this and more. It gives an introduction to the distinctive features of the playwright's work; it explains the significance of the playwright in the context of modern theatre; it provides a detailed analysis of each of the classic plays in terms of language, structure and character; and it includes features of performance and a select bibliography. Compiled by experts in their field, for use in the classroom, college or at home, Faber Critical Guides are the essential companions to the work of leading dramatists.

With the production of Philadelphia, Here I Come! in 1964, Brian Friel established his claim to be the true heir of such distinguished predecessors as Yeats, Synge, O'Casey and Beckett. Since then his work has consistently demonstrated that his strength is an equal awareness of the conditions of individual lives and the historical and political forces affecting them. The plays in this first volume (Philadelphia, Here I Come!, The Freedom of the City, Living Quarters, Aristocrats, Faith Healer and Translations) are introduced by Professor Seamus Deane of University College, Dublin.

"Historically compelling and vividly staged...alternately scalding and magical in its theatricality" -Los Angeles Times. This all-woman play is set in one of the old Mary Magdalen laundries run by an order of nuns. It tells the woeful tale of a group
