Grace Anderson's 1917-1925 letters follow her from Camp Pike training as a nurse anesthetist to France, occupied Germany, and her return home. The narrative interweaves her correspondence with World War I history and her personal life.

This book is a collection of poetry and images that were creative expressions of an intense inner struggle of a bright young man struggling with the mental illness of Schizophrenia. Some of the work is light hearted and whimsical, while others are explorations in his darkness. His desire was for others to read his work and find meaning in it. Proceeds from the sale of the book will benefit research in field of Schizophrenia.

Why does America consistently receive such low ratings in opinion polls around the world? The answer, as Pilon explains, lies not just in America's overtly forceful actions but in the construction and presentation of its self-image. Scholars and policymakers alike will find *Why America Is Such a Hard Sell* both a penetrating analysis of America's current efforts in public diplomacy and a prescription for delivering a more appealing self-portrait to the world.
